Week 4 of the new term already – I hope that for running home schools the time is passing equally quickly and that your children are into the structure of learning at home each day. It has been good to have made contact with so many of you over the past couple of weeks and to be able to answer questions. Please do not hesitate to call school if you encounter an issues with the Home learning provision that is on the website. I have also attached a copy of our new Risk Assessment which is <http://www.riseparkprimaryschool.co.uk/key-information/covid-19/>.

Please remember that if your child is struggling to get online due to limited internet or because of having to share electronic equipment then let us know immediately and we are more than happy to help.

May I also remind you about internet safety and stress the need for everyone to use the internet in a safe and responsible manner. Please read our safeguarding information under the COVID19 tab for some information and useful resources/websites to give guidance to you and your children when it comes to understanding online safety.

Under the COVID tab there are ideas and suggestions to help your child undertake nurture activities from Mrs Watts and Mrs Lamb.

Mrs Mee has also attached the information to help you if your child has additional needs. Alternatively do not hesitate to contact her if you have any queries or questions at all.

Thank you again for your continued patience, support and kindness in this difficult time.

Mrs Kelly

Headteacher
