Dear Parents/Carers

A belated Happy New Year and I hope you had a lovely break.

Tel: 0115 915 3775  
admin@risepark.nottingham.sch.uk

I just wanted to "touch base" with you all, as this year has started in a different way to where we finished 2020 with the announcement last week that schools were to partially close and only open to keyworker children and children with additional needs.

Throughout the process last year the school has followed Government guidance, putting in place measures to limit or mitigate the spread of Coronavirus. These measures will continue and our risk assessments are updated to reflect ongoing changes to Government guidelines.

Remote learning continues on Showbie and staff are working extremely hard to emulate what is being taught in school.

Mr Jones has uploaded PE vlogs which you can access where you will find a link on Showbie. This will in turn take you to the virtual PE page where you will find your specific groups and the teams.

Please can I ask that this is not shared on private groups or any social media and if you have any issues please do not hesitate to contact school.

Finally I would like to say a huge thank you to yourselves, many of whom are juggling working from home and juggling home schooling. As a parent myself I appreciate at times this can be a little hard!

Please do not hesitate to contact school at all if you have any queries or problems which we can help you with.

Thank you once again for your support and understanding at this difficult time.

Mrs Kelly

Headteacher
