

Nursery Spring Newsletter 2021

Welcome Back!

Welcome back Parrots and Giraffes. It was lovely to see all the children so excited and eager to learn. We are admitting lots of new children this week, as our Nursery continues to grow. We are looking forward to making lots of new friends and helping them to settle.

Learning

This term we will be exploring our imagination. We will be reading the stories *Where the wild things are* and *The dinosaur that pooped a planet*. Please check our Parents' noticeboard and the school website for more information. Children will be encouraged to retell the stories orally, as well as drawing and painting the characters. We will be encouraging the children to create their own stories. You may notice that we are developing our outdoor area. We will soon have a large outdoor sandpit and a new mud kitchen for the children to explore. Hopefully now that the weather is beginning to improve we will be able to play outdoors for longer. If you would like your child to have their own set of wellies. Please label them with your child's name and bring them to Nursery.

Illness

If your child is absent from Nursery please ring the office on telephone number 0115 9153775 to let us know. If your child has had sickness or diarrhea they must stay away from Nursery for 24 hours from the last time when they were ill.

Dates for
the Diary:
