## Summer Term

### Welcome back!

#### Welcome back!

Welcome back to school. We hope you have had a restful Easter break after the busy Spring term! We are already in the swing of our new topics and are looking forward to all the curriculum events we have planned this term.

During the summer term we will be learning all about the Romans in our History topic. In Re we will gain an understanding of how key religious leaders have inspired many. We can wait to participate in several Zoom question and answer sessions with people in our local community to see how they have helped to change people's lives. In Science, we will gain knowledge of light and shadows. We can not wait to see the results of our investigations now that the sun is finally shining.

#### KNOWLEDGE ORGANISERS

Your children will receive a **knowledge organiser** for our new topic. It contains key facts and information your

**Thanks for your continued support from the Year 3 Team**

**Miss Scholten, Mr Shadbolt**

**Mrs Bell, Miss Duckman-ton**

child needs to know so that they have a basic knowledge and understanding of the new topic. Please do look at the knowledge organiser with your child. These documents help the children to retain knowledge across the Key Stage.

#### PE

During the summer term, both Year 3 classes will be going swimming to Ken Martins on Friday morning. Dominican Republic will be going in Summer 1 for the first 6 weeks whilst Mexico will have PE with Mr Jones. After half term, this will swap and Mexico will go swimming for the remaining 6 weeks of the Summer 2 term. Please ensure if your child is going swimming they come to school dressed in their full school uniform with their swimming costume underneath as per the previous letter sent out before half term. If your child is having PE with Mr Jones they can continue coming to school dressed in their PE uniform in line with the COVID changes. **Please note that our PE day is now on a Friday AM not Monday pm.**

#### Jewellery & Nail Varnish

**Small ear studs are the only jewellery items permitted in school. Please make sure your child is not wearing studs on PE days (Friday)**

**Please be aware Rise Park has a no nail varnish policy**

#### School Uniform

Please ensure that ALL uniform is labeled with your child's name. Lots of children are losing jumpers that can not be returned as they are labelled correctly. Please remind your child to put their belongings in their bag when taking them off especially now that it is getting warmer.

#### Home School diary

Please record any reading your child does at home. The diary should come to school every day and go home each night.

Please take a look at our school website which has lots of information about websites you can visit which are packed with wonderful books for you and your child to explore.

On the school Twitter page, there will now also be a reading challenge for you to complete. Follow the instructions on the Tweet to see how you can take part.

We will also continue each week to give out the Bedtime box for you to enjoy with a tasty hot chocolate. Fingers crossed that it might be you!

**Books will still be changed once a week on a Monday in line with COVID restrictions.**

#### ROA

Please remember to pay the £2 via Scopay if your child still does not have a Record of Achievement folder. We would hate for you to miss out on celebrating all of the wonderful work on show in there at the end of the Summer term.
