## **Acceptable Use Policy**

### **1. Introduction**

Rise Park Primary and Nursery School Acceptable Use Policy does not aim to impose unreasonable restrictions. Rise Park Primary and Nursery School is committed to protecting its employees, partners and itself from illegal or damaging actions by individuals, either knowingly or unknowingly.

Internet/Intranet/Extranet-related systems, including but not limited to computer equipment, software, operating systems, storage media, network accounts providing electronic mail, Internet browsing and FTP are the property of Rise Park Primary and Nursery School. These systems are to be used for business purposes in serving the interests of Rise Park Primary and Nursery School and of Rise Park Primary and Nursery School pupils, students, families and staff in the course of Rise Park Primary and Nursery School's normal operations.

Ensuring effective security of Rise Park Primary and Nursery School's network is a joint effort involving the participation and support of every employee and any associated colleagues who deal with Rise Park Primary and Nursery School's information and/or information systems. It is the responsibility of every computer user to be aware of these guidelines and to organise their work accordingly.

### **2. Purpose**

The purpose of this policy is to outline the acceptable use of computer equipment at Rise Park Primary and Nursery School. These rules are in place to protect both employees and Rise Park Primary and Nursery School itself. Inappropriate use exposes Rise Park Primary and Nursery School to unacceptable risks including virus attacks, compromised network systems and possible legal challenge.

### **3. Scope**

This policy applies to the use of information, electronic and computing devices and network resources to conduct Rise Park Primary and Nursery School business, or interact with internal networks and business systems, whether owned or leased by Rise Park Primary and Nursery School, a Rise Park Primary and Nursery School employee or a third party. All employees, contractors, consultants, temporary and other workers at Rise Park Primary and Nursery School (and its subsidiaries, linked schools, etc.) are responsible for exercising good judgment in relation to appropriate use of information, electronic devices and network resources in accordance with Rise Park Primary and Nursery School's policies and processes as well as the law and relevant codes of practice.

This policy applies to employees, contractors, consultants, temporary and other workers at Rise Park Primary and Nursery School, including personnel affiliated to third parties.

### **4. Policy**

#### ***General Use and Ownership***

Overall, Rise Park Primary and Nursery School's Governing Body is responsible for the Acceptable Use Policy. On a day to day basis the Headteacher is responsible for the operation of the policy. The policy

covers Rise Park Primary and Nursery School information stored on electronic and computing devices whether owned or leased by Rise Park Primary and Nursery School, an employee or a third party and remains the sole property of Rise Park Primary and Nursery School. Rise Park Primary and Nursery School must ensure through legal or technical means that information is protected in accordance with the GDPR 2017 and the Data Protection Act 2018.

Employees and all others accessing Rise Park Primary and Nursery School's computing resources have a responsibility to promptly report the theft, loss or unauthorised disclosure of school proprietary information to the DPO and Head Teacher.

Employees and all others may access, use or share Rise Park Primary and Nursery School proprietary information only to the extent it is authorised and necessary to fulfil their assigned job duties.

Employees are responsible for exercising good judgment regarding the reasonableness of personal use. Rise Park Primary and Nursery School is responsible for creating specific guidance concerning personal use of Internet/Intranet/Extranet systems. In the absence of such guidance, employees should refer to Rise Park Primary and Nursery School's general policies or guidance on personal use of Rise Park Primary and Nursery School's resources. Where there is any uncertainty, teachers should consult the Head Teacher.

For the purpose of maintaining security and integrity of the network, authorised individuals within Rise Park Primary and Nursery School may monitor equipment, systems and network traffic at any time.

Rise Park Primary and Nursery School reserves the right to audit its networks and systems on a periodic basis to ensure compliance with this policy.

### ***Security and Protected Information***

All mobile and computing devices that connect to Rise Park Primary and Nursery School's internal network must comply with the minimum standards set by Rise Park Primary and Nursery School.

System level and user level passwords must comply with Rise Park Primary and Nursery School's password criteria-bitlocked / password protected-high strength format, not shared with a 3<sup>rd</sup> party or family member / all documents to be saved remotely on One Drive or Sharepoint. Providing access to another individual, either deliberately or through failure to secure the network access is prohibited.

All computing devices must be secured with a password-protected screensaver with the automatic activation feature set to 3 minutes or less. Users must lock the screen or log off when the device is unattended for a reasonable amount of time.

If a Rise Park Primary and Nursery School employee posts messages from a Rise Park Primary and Nursery School email address to newsgroups, etc. they must include a disclaimer stating that the opinions expressed are strictly their own and not necessarily those of Rise Park Primary and Nursery School, unless posting is in the course of business duties.

Employees must use extreme caution when opening e-mail attachments received from unknown senders as they may contain malware. If unsure to send the email to SchoolsIT (Schools IT Service Desk [Schools.IT@nottinghamcity.gov.uk](mailto:Schools.IT@nottinghamcity.gov.uk) to verify the message.

## **5. Unacceptable Use**

The following activities are generally prohibited. Employees may be exempted from these restrictions during the course of their legitimate job responsibilities (e.g. systems administration staff may have a need to disable the network access of a host if that host is disrupting production services).

Under no circumstances is an employee of Rise Park Primary and Nursery School authorised to engage in any activity that is illegal under local bye laws, national law or international law while using Rise Park Primary and Nursery School -owned or leased resources.

The lists below are not exhaustive, but try to provide a framework for activities which fall into the category of unacceptable use.

### *System and Network Activities.*

**The following activities are strictly prohibited, with no exceptions:**

- Damage to the rights of any person or company protected by copyright, trade secret, patent or other intellectual property, or similar laws or regulations, including, but not limited to, the installation or distribution of copied or other software products that are not appropriately licensed for use by Rise Park Primary and Nursery School.
- Unauthorised copying of copyrighted material including, but not limited to, digitisation and distribution of photographs from magazines, books or other copyrighted sources, copyrighted music and the installation of any copyrighted software for which Rise Park Primary and Nursery School or the end user does not have an active license is prohibited.
- Introduction of malicious programs into the network or server (e.g., viruses, worms, Trojan horses, e-mail bombs, etc.).
- Revealing your account password to others or allowing use of your account by others. This includes family and other household members when work is being done at home.
- Using Rise Park Primary and Nursery School computing assets to actively engage in procuring or transmitting material that is in violation of harassment and/or other workplace regulations.
- Making fraudulent offers of products, items or services originating from any Rise Park Primary and Nursery School account.
- Effecting security breaches or disruptions of network communication. Security breaches include, but are not limited to, accessing data of which the employee is not an intended recipient or logging into a server or account that the employee is not expressly authorised to access, unless these duties are within the scope of regular duties. For purposes of this section, "disruption" includes, but is not limited to, network snooping, pinged floods, packet spoofing, denial of service and forged routing information for malicious purposes.
- Executing any form of network monitoring which will intercept data not intended for the employee's host account, unless this activity is a part of the employee's normal job/duty.

- Circumventing user authentication or security of any host network or account.
- Interfering with or denying service to any user
- Using any program/script/command, or sending messages of any kind, with the intent to interfere with, or disable, a user's terminal session, via any means, locally or via the Internet/Intranet/Extranet.
- Providing information about, or lists of, Rise Park Primary and Nursery School employees to parties outside the school.

#### *Email and Communication Activities.*

When using Rise Park Primary and Nursery School resources to access and use the Internet, users must appreciate that they represent Rise Park Primary and Nursery School. The following activities are strictly prohibited, with no exceptions:

- Sending unsolicited email messages, including the sending of "junk mail" or other advertising material to individuals who did not specifically request such material (email spam).
- Any form of harassment via email or telephone, whether through message frequency or size of messages.
- Unauthorised use or forging of email header information.
- Creating or forwarding "chain letters".
- Use of unsolicited email originating from within Rise Park Primary and Nursery School's networks or other Internet/Intranet/Extranet service providers on behalf of, or to advertise, any service hosted by Rise Park Primary and Nursery School or connected via Rise Park Primary and Nursery School's network.
- Posting the same or similar non-business-related messages to large numbers of newsgroups (newsgroup spam).

#### *Blogging and Social Media*

- Blogging and use of social media by employees, whether using Rise Park Primary and Nursery School's resources and systems or personal computer systems is also subject to the terms and restrictions set in this policy. Limited and occasional use of Rise Park Primary and Nursery School's systems to engage in blogging and social media is acceptable, provided that it is done in a professional and responsible manner, does not otherwise violate Rise Park Primary and Nursery School's policy, is not detrimental to Rise Park Primary and Nursery School's best interests and does not interfere with an employee's regular work duties. Blogging and use of social media from Rise Park Primary and Nursery School's systems is also subject to monitoring.
- Rise Park Primary and Nursery School's approach towards confidential information also applies to blogging and social media. As such, employees are prohibited from revealing any of Rise Park Primary and Nursery School's confidential or protected information, or any other material considered to be confidential by Rise Park Primary and Nursery School when engaged in blogging or accessing social media.

- Employees shall not engage in any blogging or use of social media that may harm or damage the reputation and/or goodwill of Rise Park Primary and Nursery School and/or any of its employees. Employees are also prohibited from making any discriminatory, disparaging, defamatory or harassing comments when blogging or otherwise engaging in any conduct prohibited by Rise Park Primary and Nursery School's policy around non-discrimination and anti-harassment.
- Employees may also not attribute personal statements, opinions or beliefs to Rise Park Primary and Nursery School when engaged in blogging or social media. If an employee is expressing his or her beliefs and/or opinions, the employee may not, expressly or implicitly, represent themselves as an employee or representative of Rise Park Primary and Nursery School. Employees assume all risk associated with blogging and use of social media.
- Apart from following all laws applying to the handling and disclosure of copyrighted materials, Rise Park Primary and Nursery School's trademarks, logos and any other Rise Park Primary and Nursery School intellectual property may also not be used in connection with any blogging or social media activity.

## **6. Policy compliance measurement**

The school's Headteacher will verify compliance to this policy through various methods, including but not limited to, business tool reports, internal and external audits and feedback from employees.

## **7. Exceptions**

Any exception to the policy must be approved and recorded by the school's Headteacher.

## **8. Non compliance**

An employee found to have violated this policy may be subject to disciplinary action, up to and including termination of employment.

This Policy should be read in conjunction with the following:

- Data Protection Policy
- Data Incidents and Breaches Policy
- Freedom of Information Policy
- Remote Access and Mobile Computing Policy
- Subject Access Request Policy
- Email Policy
- Mobile Computing Policy
- Safeguarding Policy and Guidance
