B S L British Sign Language

Hello

My name is Mrs Rawlins and I am the Language Lead for Nursery and Reception. I am very passionate about our children's communication, speech and interactions whilst playing in our environment.

The children have been learning some new signs and it would be great if you could get involved. The first few are welcome signs, and it would be a lovely way to greet you/say goodbye in this way each day.

Look out for our new sign each week on our display boards. We would love it if you can practise at home with your child.

Top tip: We say the words as we sign.

Thanks for your support.

Mrs Rawlins
