## **Statement of intent**

School attendance is everyone's responsibility. Rise Park Primary and Nursery School believes that in order to facilitate teaching and learning, good attendance is essential. Pupils cannot achieve their full potential if they do not regularly attend school.

We understand that barriers to attendance are complex, and that some pupils find it harder than others to attend school; therefore, we will continue to prioritise cultivating a safe and supportive environment at school, as well as strong and trusting relationships with pupils and parents.

We take a whole-school approach to securing good attendance and recognise the impact that our efforts in other areas – such as the curriculum, behaviour standards, bullying, SEND support, pastoral support, and the effective use of resources such as pupil premium – can have on improving pupil attendance.

We are committed to:

- Promoting and modelling high attendance and its benefits.
- Ensuring equality and fairness for all.
- Ensuring this attendance policy is clear and easily understood by staff, pupils and parents.
- Intervening early and working with other agencies to ensure the health and safety of our pupils.
- Building strong relationships with families to overcome barriers to attendance.
- Working collaboratively with other schools in the area, as well as other agencies.
- Ensuring parents follow the framework set in section 7 of the Education Act 1996, which states that the parent of every child of compulsory school age shall cause them to receive efficient full-time education suitable to their age, ability and aptitude, and to any SEND they may have, either by regular attendance at school or otherwise.

Registers will be taken as follows throughout the school day:

- The morning register will be marked from **8.50am** until **9.00am**. Pupils will receive a late mark if they are not in their classroom by this time. Pupils attending after this time will receive a mark to show that they were on site, but this will count as a late mark

## 5. Absence procedures

### Illness and other legitimate reasons.

Parents will be required to contact the school office via telephone, text message or e-mail on the first day of their child's absence before 9.00am – they will be expected to provide an

explanation for the absence and an estimation of how long the absence will last, e.g. one school day.

The school will decide in all cases whether to authorise an absence on the basis of the evidence available.

### **Holidays in term time (family holidays)**

The Education (Pupil Registration) (England) (Amendment) Regulations 2013 state that schools can no longer grant any leave of absence during term time unless there are exceptional circumstances.

If families, choose to take their child out of school during term time for an unauthorised holiday/leave of absence they will be referred to Education Welfare for a penalty notice to be issued.

- Penalty notices are issued per parent per child. They are £60 if paid within 21 days rising to £120 if paid after 21 days but before 28 days. If the penalty notice remains unpaid then the Local Authority may instigate legal proceedings against you under section 444(1) of the Education Act 1996. If found guilty of this offence you could be fined up to £1000
- A referral will be made for a Penalty Notice to be issued if the school is informed or suspect that a family has been on holiday whilst suggesting to the school another reason of absence. It will be up to the family to prove that they have not taken a family vacation
- Children/young people taken out of school for a holiday will have the non-attendance recorded as an unauthorised absence 'G' code
- A child or young person who does not return to school at the end of the recorded unauthorised holiday date will initially be subject to enquiries being made by the school.
- If after ten days of the expected return date, the child/young person has still not returned to school, a referral will be made to the Education Welfare Service for further enquiries to be made.
- Following the above information, if a parent/carers still intends to take their child on holiday during term time, they have a duty to inform the school of this action and give at least 6 weeks' notice of the event
- Parent/carers must complete a 'Leave of Absence' form, obtained from the school office (Appendix 1)

### **Responding to non-attendance**

The following actions may be applied when addressing concerns around non-attendance to all pupils:

- A 'School Comms' text will be sent out, followed by a telephone call if contact is not made by the parent
- Failure to inform the school of reasons of absence will result in an unauthorised absence being recorded.
- If face to face or telephone contact appears to be deliberately avoided, we will, as a school, consider unannounced home visits
- Any child, who is absent for more than 3 days, is required to bring in medical evidence as proof of illness. Failure to inform the school of a child's reason of absence may result in a home visit from a member of our Attendance Team

- Teacher will contact parents if a child has 3 days of absence within a half term to discuss if there are any problems or concerns that they could support with. These 3 days do not have to be consecutive but should also give parents more of an insight into gaps in learning and the knock-on effect these days can have.
- Pupil attendance is reviewed every week

## **Persistent Absentees**

All pupils with an attendance rate of **90%** and below are considered as persistent absentees and will be closely monitored. The following actions are highly probable for such cases:

- A text message will be sent to inform the family of their child's attendance has fallen below 90% along (After Autumn Term 1).
- A letter will be sent out to inform parents of the actions if their child's attendance remains or continues to fall below 90%
- Further absences will be unauthorised unless one of the following is shown to school: a medical certificate, a letter from a medical practitioner, dated prescribed medication or an appointment slip/text message.
- Parents/carers will be invited to attend an attendance clinic in school if there is little or no improvement in their child's attendance. This may require parents to work alongside our Family Support Worker to improve their child's attendance and routines.
- An Attendance Improvement Plan will be put in place and reviewed. Copy will be given to parents.
- Parents/carers will be invited to attend a formal review with our Deputy Head Teacher and Education Welfare Officer if attendance shows no improvement
- Removal of F1 placement will be considered
- A formal request for intervention will be made to the Education Welfare Service for legal action to be considered
- For any child whose attendance falls below 60% - agencies will take full account of all that is known about the child and consider completing a Multi-Agency Referral Form (MARF) for additional support from Children's Social Care
- Whenever possible, the school's Attendance Leads and/or Family Support Worker will offer support and guidance to avoid poor attendance levels. Looking at alternative support to help avoid those external barriers preventing a parent from bringing a child to school.

## **Lateness**

Registration periods last for 20 minutes after which time the register will close. Any pupil arriving after the start time, but within the twenty minutes will be recorded as an 'L' code which signifies late.

Any pupil arriving after the 20 minutes will be recorded as 'U' code which signifies that they arrived after the official close of the register, which denotes an unauthorised absence.

Issues relating to punctuality will initially be addressed with the parents/carers in the following ways:

- If there are 2 or more lates in a one-week period, parents will receive a text message
- If this occurs for 3 occasions, a call will be made to parents to discuss
- If no improvement is made, parents will be informed that we will monitor lateness with U codes

- If there is still no improvement, formal meetings in school will be arranged where attendance targets will be agreed.
- If The Local Authority will be asked to issue a Penalty Notice on the school's behalf for any pupil registered late (recorded as U) 10 sessions or more in a six-week period.
- The school may request that a Penalty Notice is issued where there has been persistently lateness that results in unauthorised absences being recorded.

### **Safeguarding/leave of absence in term time/extended leave of absence**

Any safeguarding issues pertaining to a child being taken out of school in circumstances that cause concern will be addressed directly to the Social Care Duty Team via a Multi-Agency Referral Form (MARF).

Any child absent from school for more than 20 days will be referred to the Children Missing Education(CME) team after all relevant checks made by school.

### **Children Missing Education (CME)**

Early intervention is necessary to identify the existence of any underlying safeguarding risk and to help prevent the risks of a child going missing in future. Staff should be aware of their school's unauthorised absence and children missing from education procedures and Attendance Policy:

- Parents are expected to contact school on the first day of absence
- School will contact parents if no reason of absence has been given to school, initially by School Comms text, if there are attendance, welfare or safeguarding concerns this will also include a telephone call
- School Comms text and phone call if no contact has been made, on the previous day, additional emergency contact numbers will also be called
- Potential home visit if no contact is made, and contact made with any additional agencies who are working with the family (who may be in a better position to visit the family)
- Referral to CME if information is gained that the family have moved out of area
- Referral to CME if child has not returned after 10 days with no contact from the family after efforts made by school, if we believe the child should or may be removed from roll whether the onward school is known or not
- The Children Missing Education (CME) Officer within the Education Welfare Service will work closely with the school to try to identify the child's current whereabouts/destination
- Both parties will then agree an appropriate time and category to remove the child from the school roll. This includes those children and young people who are expected to move swiftly into appropriate provision; this is in line with The Education (Pupil Registration) (England) (Amendment) Regulations 2016
- After 20 school days of absence and efforts by both the school and CME to find the child prove unsuccessful, the CME Officer will consult the school to discuss whether to remove their name from the school roll. The final decision about removal from a school roll remains with the Headteacher following consultation with the Local Authority via CME
- The school will create a 'lost pupil' record on the national Lost Pupil's Database School to School (s2s) to assist future schools and Children Missing from Education Officers to identify and locate children
- It is the duty of both the Education Welfare Service and school to collaborate in finding the pupil before deleting them from the register

- For further information please contact the CME Officers directly - [cme.educationwelfare@nottinghamcity.gov.uk](mailto:cme.educationwelfare@nottinghamcity.gov.uk)

## 6. Attendance register

The school uses Arbor to keep attendance registers to ensure they are as accurate as possible and can be easily analysed and shared with the appropriate authorities.

Designated staff members will take the attendance register at the start of each school day and at the start of the afternoon session. This register will record whether pupils are:

- Present.
- Absent.
- Attending an approved educational visit.
- Unable to attend due to exceptional circumstances.

The school will use the national attendance codes to ensure attendance and absence are monitored and recorded in a consistent way. The following codes will be used:

- / = Present in the morning
- \ = Present in the afternoon
- L = Late arrival before the register has closed
- C = Leave of absence granted by the school
- E = Excluded but no alternative provision made
- H = Authorised holiday
- I = Illness
- M = Medical or dental appointments
- R = Religious observance
- B = Off-site education activity
- G = Unauthorised holiday
- O = Unauthorised absence
- U = Arrived after registration closed
- N = Reason not yet provided
- X = Not required to be in school
- T = Gypsy, Roma and Traveller absence
- V = Educational visit or trip
- P = Participating in a supervised sporting activity
- D = Dual registered – at another educational establishment
- Y = Exceptional circumstances
- Z = Pupil not on admission register

When the school has planned in advance to be fully or partially closed, the code '#' will be used for the relevant pupils who are absent. This code will also be used to record year groups who are not due to attend because the school has set different term dates for different years, e.g. induction days.

All amendments made to the attendance register will include the original entry, the amended entry, the reason for the amendment, the date of amendment and the name and role of the person who made the amendment.

Every entry received into the attendance register will be preserved for three years.

## **7. Authorising parental absence requests**

### **Leave of absence**

At Rise Park Primary and Nursery School we request that all applications for leave of absence must be made 6 weeks in advance by the parents/carers or corporate parent that the pupil normally resides with. We request that a Leave of Absence form (see Appendix 1) and a conversation with the attendance team be completed. Then, a written response will be provided.

Any leave of absence granted by the school is recorded as authorised absence using the appropriate national code. Periods that are refused are recorded as unauthorised absences. At Rise Park Primary and Nursery School, when considering such requests we take into account the following:

- Circumstances of the request
- Purpose of the leave
- The pupil's general absence/attendance record over the last twelve months
- The amount of time requested
- Length of the proposed leave
- The proximity to SATs
- General welfare of the pupil

As mentioned, such requests receive a response in writing that addresses the following points:

- The expected date of return
- That the parents are expected to contact the school if anything delays the pupil returning to school when expected
- What action will be taken if the pupil fails to return when expected
- Additional family contact numbers/email addresses

A letter will be sent out should a request be refused. This will state what action will be taken if the parents/carers ignore the refusal and keep their child away; (Appendix 2) with a follow up letter after their return stating that a referral will be made to the Education Welfare Service for a request for service and/or a penalty notice to be issued (Appendix 3)

### **Healthcare appointments**

Parents will be expected to make medical or dental appointments outside of school hours wherever possible. Where this is not possible and appointments need to be made during school hours, parents will be expected to provide proof of appointments (appointment cards, letters, texts, emails etc.) to obtain approval for their child's absence to attend such appointment. Parents will be responsible for ensuring their child misses only the amount of time necessary to attend the appointment.

## Religious observance

Parents will be expected to request absence for religious observance at least two weeks' in advance.

In Nottingham city one day for each religious festival should be counted as authorised absence. The Pupil Regulations 2006 state that absence for religious observance should be treated as authorised (absence) '*on a day exclusively set apart for religious observance by the religious body to which the parent belongs*'. Additional days off for shopping or for extended celebrations should be treated as unauthorised absence.

In respect of pilgrimages, school may request to see copies of visas. Dates of return should also be agreed prior to the period of leave.

## 8. SEND- and health-related absences

Rise Park Primary and Nursery School recognises that pupils with SEND and/or health conditions, including mental health issues, may face greater barriers to attendance than their peers, and will incorporate robust procedures to support pupils who find attending school difficult.

The school will ensure that reasonable adjustments are made for disabled pupils to reduce barriers to attendance, in line with any EHC plans or IHPs that have been implemented. The school will secure additional support from external partners to help bolster attendance where appropriate.

Where the school has concerns that a pupil's non-attendance may be related to mental health issues, parents will be contacted to discuss the issue and whether there are any contributory factors to their child's lack of attendance. Where staff have a mental health concern about a pupil that is also a safeguarding concern, they will inform the DSL and the Child Protection and Safeguarding Policy will be followed. All pupils will be supported with their mental health in accordance with the school's Social, Emotional and Mental Health (SEMH) Policy.

### Managing absences of pupils with health care needs

- Parents are advised to contact the school on the first day their child is unable to attend due to illness
- Absences of pupils with health care needs will not be authorised unless the family has had prior discussion with school staff about the challenges and difficulties presented by their child's needs; this will enable school to understand the context and complexity of their child's additional health care needs. Rise Park Primary and Nursery School is committed to supporting all children regardless of their needs and is very much interested in offering support, guidance and referral to the relevant agencies
- Absences of known pupils due to health needs will be authorised (using the relevant codes) unless the school has genuine cause for concern which will trigger attendance and/or safeguarding procedures
- To help ensure a pupil with additional health needs is able to attend school following an extended period of absence, a personalised or part-time timetable may be considered. Agreed periods of absence due to a part-time education timetable will be recorded with a C code for pupils of compulsory school age and an X code for non-compulsory school aged pupils

The school will incorporate an action plan to help any pupils with SEND and/or health issues cope with the stress and anxiety that attending school may cause them. Such plans will be regularly monitored and reviewed until the pupil is attending school as normal and there has been signs of significant improvement.

To support the attendance of pupils with SEND and/or health issues, the school will consider:

- Holding termly meetings to evaluate any implemented reasonable adjustments.
- Incorporating a pastoral support plan.
- Carrying out strengths and difficulties questionnaire.
- Identifying pupils' unmet needs through the Early Help Assessment
- Using an internal or external specialist.
- Enabling a pupil to have a reduced timetable for a limited time.
- Ensuring a pupil can have somewhere quiet to spend lunch and break times.
- Implementing a system whereby pupils can request to leave a classroom if they feel they need time out.
- Temporary late starts or early finishes.
- Phased returns to school where there has been a long absence.
- Small group work or on-to-one lessons.
- Tailored support to meet their individual needs.

## **9. Working with parents to improve attendance**

The school will work to cultivate strong, respectful relationships with parents and families to ensure their trust and engagement. Open and honest communication will be maintained with pupils and their families about the expectations of school life, attendance and performance so that they understand what to expect and what is expected of them. The school will liaise with other agencies working with pupils and their families to support attendance, e.g. social services.

The school will ensure that there are two sets of emergency contact details for each pupil wherever possible to ensure the school has additional options for getting in touch with adults responsible for a pupil where the pupil is absent without notification or authorisation.

The school will ensure that parents are aware of their legal duty to ensure that their child attends school regularly and to facilitate their child's legal right to a full-time education – parents will be made aware that this means their child must attend school every day that it is open, save for in certain circumstances, e.g. sickness or absences that have been authorised by the Headteacher in advance. The school will regularly inform parents about their child's levels of attendance, absence and punctuality, and will ensure that parents are aware of the benefits that regular attendance at school can have for their child educationally, socially and developmentally.

If a pattern of absence becomes problematic, the attendance team will work collaboratively with the pupil and their parents to improve attendance by addressing the specific barriers that prevent the pupil from being able to attend school regularly. The school will always take into consideration the sensitivity of some of the reasons for pupil absence and will approach families to offer support rather than immediately reach for punitive approaches.

Where these barriers are related to the pupil's experience in school, e.g. bullying, the attendance team will work with the Headteacher and any relevant school staff, e.g. the DSL and SENCO, to address this. Where the barriers are outside of the school's control, e.g. they are related to issues within the pupil's family, the attendance team will liaise with any relevant external agencies or authorities, e.g. children's social care or the LA, and will encourage parents to access support that they may need.

**Useful Information for Parents**

**Term – time leave**

Amendments to the 2006 regulations remove references to family holiday and extended leave as well as the statutory threshold of ten school days. The amendments make clear that head teachers may not grant any leave of absence during term time unless there is exceptional circumstances. Head teachers should determine the number of school days a child can be away from school if the leave is granted.

**The Education (Penalty Notices) (England) Regulations 2007**

Amendments have been made to the 2007 Regulations in Education (Penalty Notices) (England) (Amendment) Regulations 2013. These amendments, as described below, came into force on 1 September 2013.

The regulations set out the procedures for issuing penalty notices (fines) to each parent who fails to ensure their children's regular attendance at school. Parents must pay £60 if they pay within 21 days or £120 if they pay after 21 days but within 28 days.

If there are any exceptional circumstances that you wish to be considered please ensure that the evidence is brought into school for our attention by **(*date*)**.

Should you choose to take your child out of school during the period requested, the absence will be marked as unauthorised on the school register and the matter may be referred to Nottingham City Council (the Local Authority), for consideration of a penalty notice.

Please note that penalty notices are issued per parent/carer, per child, and are set at £60 if paid by 21 days and £120 if paid between 22 and 28 days. If a penalty notice remains unpaid, any resultant legal proceedings would relate to section 444(1) of the Education Act 1996.

*If school find out family are/have been away (amend accordingly):*

It has come to our attention that **(*child's name*)** has been missing from school on an un-agreed leave of absence. The current law does not give entitlement to parent to take their child out of school in term time. As a result of this unauthorised absence, a penalty notice is being requested from the Local Authority. Please note that penalty notices are issued per parent/carer, per child, and are set at £60 if paid by 21 days and £120 if paid between 22 and 28 days. If a penalty notice remains unpaid, any resultant legal proceedings would relate to section 444(1) of the Education Act 1996.

If there are any exceptional circumstances that you wish to be considered, please ensure that the evidence is brought **into school** for our attention by **(*date*)**.

Please contact me to discuss this matter further if you wish.

Yours sincerely,

#### **Leave of Absence re: *child name (DOB)***

Following our previous letter on **(date)**, we are aware/we believe that **(*child's name*)** was taken out of school between the following dates; **(insert dates)**.

Any application for leave must be for exceptional circumstances and agreed by the Head Teacher prior to travel, in accordance with **(school name)'s** attendance policy. No satisfactory evidence has been provided to authorise the absence and therefore, the matter will be referred to Nottingham City Council (the Local Authority), for consideration of the issuing of a penalty notice.

**Re: CHILD NAME AND ATTENDANCE PERCENTAGE**

At Rise Park Primary and Nursery School each child is expected to attend every session available however, from time to time, we appreciate this may not be possible.

As you are aware all parents are expected to notify the school on the first day of any (pupil's) absence before 9.00am to provide the reason for all absence along with an expected date of return to school. Failure to notify school of any absence that has not been explained within two weeks will be recorded as unauthorised absence. This is when the reason provided does not comply with Government guidelines or no reason has been provided. The decision to authorise absence is a school decision.

Parents are expected to make medical or dental appointments outside of school hours wherever possible. Where this is not possible and appointments need to be made during school hours, parents will be expected to provide proof of appointments (appointment cards, letters, texts, emails etc.) to obtain approval for their child's absence to attend such appointment. Parents are responsible for ensuring their child misses only the amount of time necessary to attend the appointment (for example, attend school before and after appointments).

We are committed to working with you to improve your child's attendance. If you wish to discuss this matter further, please school on 0115 9153775.

Yours sincerely,

**Attendance Officer**

**Re: CHILD NAME AND ATTENDANCE PERCENTAGE**

Following my previous letter dated **{date of letter 1}**, **{name of pupil}**'s attendance has failed to improve and now stands at **{attendance percentage}**.

Studies confirm that poor attendance at school directly impacts on a pupil's achievement. It is essential that **{name of pupil}** improves **(his/her)** attendance in order to increase the chances of academic success.

In order to discuss this matter further I am inviting you to attend a meeting at school with me on:

**{Day}**

**{Date}**

**{Time}**

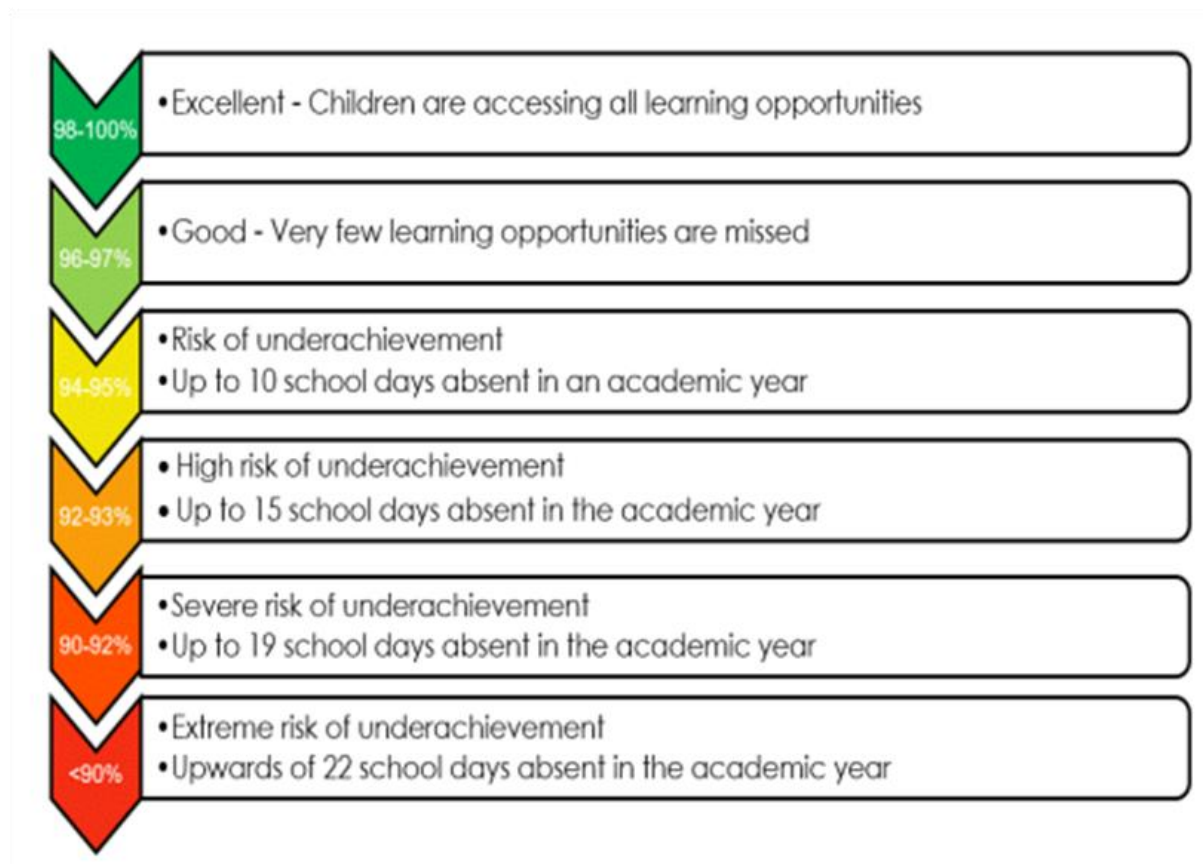

At this meeting an attendance improvement plan will be developed in order to address any barriers your child may be experiencing and to look at strategies to support their attendance.

School will continue to monitor your child's attendance. Should this fail to improve (pupil name) may be discussed at a Targeted Support Panel with the Local Authority.

We are committed to working with you to improve your child's attendance. If you wish to discuss this matter further, please contact me on **{telephone number}**.

Yours sincerely,

**Re: CHILD NAME AND ATTENDANCE PERCENTAGE**

I am concerned that despite previous interventions you have failed to provide a satisfactory explanation for **(pupil's name)** absences. I enclose your child's registration certificate for information.

***EITHER (Delete whichever paragraph that does not apply)***

You were recently invited to a meeting to discuss the attendance concerns but you failed to attend. The matter will now be escalated for discussion at a Targeted Support Panel, held jointly with an Officer from the Education Welfare Service. A decision will be made as to whether a referral to the service is appropriate at this stage.

**OR** You recently attended a meeting to discuss the continued absences. At that meeting we developed and agreed an attendance improvement plan together. A copy of this plan along with the meeting minutes are enclosed. Your child's attendance has failed to improve and will now be discussed at a Targeted Support Panel, this will include an Officer from the Education Welfare Service.

Failing to ensure regular attendance at school may result in the issuing of a Penalty Notice or prosecution. Penalty Notices are set at £60 if paid by 21 days and £120 if paid between 22 and 28 days. Any legal proceedings would relate to section 444 or 444(1A) of the Education Act 1996.

We are committed to working with you to improve your child's attendance. If you wish to discuss this matter further, please contact me on {telephone number}.

Yours sincerely
