9th October 2023

Dear Parents/Carers

I am writing to inform you that one of our girls in year six is currently in intensive care in hospital with suspected sepsis.

As a school community, we are all deeply affected by this and the children have been speaking about it at school this morning.

I am sure that you will wish to join me and my staff in offering our positive thoughts and best wishes to those affected.

The year six staff have now spoken to all pupils and staff in school about what has happened and I think it is very important that we all take the time to talk with and reassure children the best that we can.

Please do not hesitate to contact me or the Year 6 team if you have any further questions at all.

Yours sincerely

Mrs Kelly
Headteacher
