News From The Office...

Dear Parents / Carers,

Welcome back and I hope you managed to have a lovely Easter break. As the weather, we hope, starts to become a little warmer and brighter can I remind you to make sure you send your child with a named water bottle, containing only water please.

Your child's newsletter and knowledge organiser will be sent to you this week, please take a look at what your child will be studying this term and there are some good ideas on ways in which you can support your child at home on a particular topic. Please look at the dates for your diary at the bottom of the newsletter as

there are many events in the Summer term with the Sports Day dates on there too.

Thank you again for your continued support as we move into the Summer term, as always if you have any queries or questions at all please do not hesitate to contact your child's class teacher.

Yours Sincerely

Natasha Kelly

Primary Parliament...

Mrs Koulouri writes...

Primary Parliament is a termly opportunity for primary school pupils to come together and have their voices heard.

This term's Primary Parliament explored the digital world, children's experiences of being online and awareness of new digital tools to stay safe online. Our pupils engaged in two workshops. The first involved discussing online tools, trends of using the internet and what it is like to be a child in the digital world. The second, focussed on the trustworthiness of

things we read online and how we can use critical thinking skills to keep safe.

After taking part in both workshops, pupils were set a brief to develop a message they could take back to school around survival skills in the digital world. Working with another local school, our pupils presented their ideas in various creative ways and presented their ideas on stage to all the other schools and Primary Parliament members.
