

# Newsletter—July 2025

## News From The Office...

Dear Parents / Carers,

I cannot believe that this is the last newsletter before the end of the year! The children are currently undergoing their first transition day and will follow this up with a second one later in the week.

The children are currently in the process of learning their songs for the production which will take place on Wednesday and Thursday next week. I would like to say a huge thank you to you all for helping the children learn their lines or their songs. It is greatly appreciated.

You will receive a letter from the school council which informs you of what their plans are and how they have consulted with the children as to where they want to spend some of the Summer Fayre money.

Finally, I would like to say a huge thank you for your support this year and I would like to wish you a lovely break. I look forward to seeing you at the start of the new academic year.

Yours Sincerely

Natasha Kelly  
Headteacher

You can view the full calendar for next year at the end of this newsletter.

# Family Events...

## Mrs Lamb writes...

What an incredibly busy year we have had. It has been lovely to see so many parents engage with the activities and events we have had on offer this year.

We have our final coffee morning of the year on Friday 11<sup>th</sup> July. Please come and join us for a free hot and cold breakfast. This is a great opportunity to have a chat with friends and discuss what kind of events/activities you would like to see in school for parents and children in an informal way.

I am available if you require any support in lots of different areas such as your child's behaviour, fussy eating, sleep, support with food bank referrals, citizens advice and many other things. Please come in for a chat.

During the summer, there are lots of different activities to keep the children entertained across the city. Please see the following links to find out more information.

<https://www.nottinghamcitylibraries.co.uk/summeractivities/>

<https://www.asklion.co.uk/kb5/nottingham/directory/site.page?id= AISqLI35I4>

Throughout the next academic year, we will have lots of exciting workshops, parent courses and events. If you have any ideas of parental engagement activities that you would like to see in school, please let me know. You can email me via our admin email if you have any questions, query's or ideas. ## Nursery

What a busy term we have had so far. We have been learning all about food and where it comes from. The children particularly enjoyed squeezing the lemons to make our lemonade to sell at the Summer Fair. We have been talking about our older children moving up into Reception, and we have started to meet our new children who will join us in September. If you have a child who is 3 or nearly 3, please feel free to contact us to arrange a look around Nursery or fill in the

Nursery application form which can be found on the school website.

Kind regards

Carole Morledge

Early Years Phase Leader

## School Meal Price Update

We have been informed by Nottingham City Council that there will be a price increase as of September 2025.

Nursery Meals- **£2.65**

Year 3-6 Meals- **£2.90**

## Behaviour Policy Questionnaire

At Rise Park, we are a pro-active school who regularly reflect on policies and procedures in school to ensure we can provide the best education that we can for all of our children. We would like your opinions on the current behaviour system to help us revise the behaviour policy. We are aiming to find a policy that supports the nurturing approach that is embedded at Rise Park, whilst still clearly setting boundaries and expectations for the children in and out of the classroom. You will soon receive a message with a link to a survey which will give you the chance to express your views on our current system. If you wish to read the behaviour policy prior to answering this survey, it can be found on our website. We are also seeking views of other stakeholders as well, including children, staff and governors to help shape our new policy.

Your input as parents and carers is invaluable as you are an integral part of your child's education.
