

Dear parent and carers,

The School Council have been busy last week reading through all of the suggested ways the children across Rise Park would like to spend the money raised at the Summer Fair. We spent some time prioritising items that were raised by each class such as wellbeing and, new playtime equipment, stationary, trips and new books.

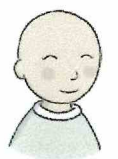

We have decided firstly that we would like to buy some new footballs and basketballs. The order has been placed and they are currently on their way ready to be played with at playtimes and during PE.

Secondly, many classes stated they would like some comics to read. We have therefore

decided to introduce a Swap that will be located in a shared central place for children to borrow and enjoy once the luxurious comics have been purchased using the budget.

Lastly, Several classes asked for new board games to play with during Golden Time or wet breaks. Before we buy some to enjoy, we are asking for your help first! If we can gather a collection from your generous support, we can then put the extra money to other good causes instead. If you have any unwanted board games or jigsaws that are in good condition that you would be happy to donate to school we would be really grateful. Please give these to your child's class teacher.

Many thanks

The School Council
