Dear Parents/Carers

We are pleased to inform you of an exciting upcoming trip for Year 3.

To enhance our Stone Age topic, we will be visiting Bestwood Country Park Education Centre on Friday 14th November to travel back in time to pre-historic Britain and, as a tribe, move into our new settlement. Dressed in costume, our first task will be to build shelters against the weather. We will then explore a range of activities including:

- Using tools to make a wooden pendant
- Weaving with natural materials
- Practising cave painting skills to create a story
- Making clay pots

This trip is an excellent way for children to have hands on experiences of the things we have been learning about in the classroom and we know this will add an exciting new dimension to their learning.

The cost of this visit is £10.00 payable on Arbor and the final balance should be paid by **Friday 7th November**.

Children will need to wear their school polo shirts and jumpers along with warm trousers suitable for a day outside in November weather conditions. Boots or trainers suitable for grass/mud-based activities should also be worn. We will be walking to and from Bestwood country park so shoes should be appropriate for this.

Children **will need a packed lunch** for the day, if your child receives free school meals and you would like a grab bag from school please order this with your child's class teacher no later than **4th November** as we will not be able to order meals after this date.

Children **will not** require any spending money for this visit.

Thank you in advance for your support.

The Year 3 Team
