Rise Park Primary School - Year 1 Maths Overview

Autumn Term 1

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
Place value within 10	Place value within 10	Place value within 10	Place value within 10	Addition and subtraction	Addition and subtraction	Addition and subtraction
Working systematically	Working systematically	Working systematically	Working systematically	Working systematically	Working systematically	Working systematically

Autumn Term 2

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
Addition and subtraction	Addition and subtraction	Addition and subtraction	Assessment week	Shape	Consolidation (Fact families)	Xmas Activities
Guess, check, improve	Guess check, improve	Working systematically	N/A	Guess, check, improve	Mixed problems	Mixed problems

Spring Term 1

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
Place value within 20	Place value within 20	Place value within 20	Addition and subtraction	Addition and subtraction	Addition and subtraction
Draw a diagram	Draw a diagram	Draw a diagram	Draw diagram	Guess, check, improve	Draw a diagram

Spring Term 2

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
Addition and subtraction	Addition and subtraction	Addition and subtraction	Place value within 50	Place value within 50	Length + height
Draw a diagram	Draw a diagram	Working systematically	Working systematically	Guess, check, improve	Guess, check, improve

Summer Term 1

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
Mass + Volume	Mass + Volume	Multiplication + division	Multiplication + division	Multiplication + division	Fractions
Guess, check, improve	Guess, check, improve	Working systematically	Working systematically	Working systematically	Working systematically

Summer Term 2

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
Fractions	Place value within 100	Place value within 100	Assessment Week	Time	Time	Position and direction
Mixed problems	Working systematically	Mixed problems	N/A	Mixed problems	Mixed problems	Mixed problems

Place Value	Number calculation	Fraction/Decimals/%	Geometry	Measure	Statistics
