

# Rise Park Primary School - Year 2 Maths Overview

## Autumn Term 1

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
Place value	Place value	Place value	Place value	Addition + Subtraction	Addition + Subtraction	Addition + Subtraction
Working systematically	Working systematically	Working systematically	Drawing a diagram	Drawing a diagram	Drawing a diagram	Drawing a diagram

## Autumn Term 2

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
Addition + Subtraction	Addition + Subtraction	Assessment week	Addition + Subtraction	Shape	Shape	Xmas Activities
Look for patterns	Look for Patterns		Look for Patterns	Look for Patterns	Look for Patterns	

## Spring Term 1

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
Money	Money	Money	Multiplication + division	Multiplication + division	Multiplication + division
Working systematically	Drawing a diagram	Drawing a diagram	Work backwards	Work backwards	Working backwards

## Spring Term 2

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
Fractions	Fractions	Assessment Week	Fractions	Time	Time
Working backwards	Guess, check, improve		Guess, check, improve		

## Summer Term 1

Week 1	Week 2	Week 3	Week 4	Week 5
Time	Position + direction	Length and height	Length and height	Additional assessment week
Working systematically		Look for Patterns	Look for Patterns	

## Summer Term 2

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8
Mass capacity temperature	Money	4 operations	Assessment Week	Mass capacity temperature	Mass capacity temperature	Statistics	Statistics
	Fractions						
Mixed problems – choosing own strategy	Mixed problems – choosing own strategy	Mixed problems – choosing own strategy		Mixed problems – choosing own strategy	Mixed problems – choosing own strategy	Mixed problems – choosing own strategy	Mixed problems – choosing own strategy

Place Value	Number calculation	Fraction/Decimals/%	Geometry	Measure	Statistics
