<b>F2 Skills</b>	<ul style="list-style-type: none"> <li>To know how to form taught graphemes.</li> <li>To identify taught phonemes in words – initial and end sounds.</li> <li>To talk about 'Our Focus Books', naming the characters and a short summary of what happens.</li> <li>To explain the role of an author and illustrator.</li> <li>To begin to sequence stories.</li> </ul>	<ul style="list-style-type: none"> <li>To write a short phrase/caption using phonics knowledge – cat on a mat, etc</li> <li>To begin to write words using phonics knowledge.</li> <li>To blend sounds into words to read short words.</li> <li>To read a short sentence.</li> <li>To talk about the main events in stories.</li> <li>To use a story map to support story telling.</li> </ul>	<ul style="list-style-type: none"> <li>To write a short sentence using phonics knowledge.</li> <li>To develop a good understanding of GPC.</li> <li>To use a grapheme mat to support writing,</li> <li>To sequence the key events in stories.</li> <li>To compare books written by the same author.</li> <li>To answer comprehension questions about their Guided read, with support</li> </ul>	<ul style="list-style-type: none"> <li>To write a short sentence with support including a capital letter, finger space and a full stop.</li> <li>To refer back to prior learning - ... is similar to the .... Story.</li> <li>To use a story mountain to identify, the beginning, middle and end of a story.</li> <li>To answer questions about their Guided read book, independently.</li> </ul>	<ul style="list-style-type: none"> <li>To use the pictures to explain what is happening in a story – to explain how characters are feeling based on their facial expressions.</li> <li>To explore a variety of books including, fiction and non-fiction.</li> <li>To use key vocabulary in conversation.</li> <li>To explain the meaning of key vocabulary.</li> </ul>	<ul style="list-style-type: none"> <li>To form letters correctly.</li> <li>To re-read work to ensure it makes sense.</li> <li>To write a sentence independently, ideally including a capital letter, finger spaces and a full stop.</li> </ul>
<b>F2 Knowledge</b>	<ul style="list-style-type: none"> <li>Spell words by identifying the sounds and then writing the sound with letter/s</li> <li>Identify the taught GPCs (the sounds that the letters make) including some digraphs</li> <li>Talk about and respond to stories, rhymes and poetry; recalling, sequencing and anticipating key events some as exact repetition and some in their own words.</li> </ul>	<ul style="list-style-type: none"> <li>Write short phrases</li> <li>Blend the taught sounds to read CVC, CVCC and CCVC words</li> <li>Read some taught common exception/ high frequency and familiar words</li> <li>Read sentences made up of words with taught sounds and common exception words</li> <li>Begin to interpret stories, rhymes and poetry; making suggestions for actions and events</li> </ul>	<ul style="list-style-type: none"> <li>Write short sentences with words with known sound-letter correspondences</li> <li>Respond to stories (rhymes and songs) with actions, relevant comments, questions; recalling key events</li> </ul>	<ul style="list-style-type: none"> <li>Write short sentences using a capital letter and full stop</li> <li>Talk about elements of a topic using newly introduced vocabulary and extending sentences using a range of conjunctions to offer extra explanation and detail</li> </ul>	<ul style="list-style-type: none"> <li>To begin to interpret stories, rhymes and poetry; making suggestions for actions and events (images and text).</li> <li>To talk about and respond with questions to non-fiction books; recalling some facts with increasing explanation and vocabulary in response to questions</li> </ul>	<ul style="list-style-type: none"> <li>Form lower-case and capital letters, most of which are correctly formed</li> <li>Re-read what they have written to check that it makes sense</li> </ul>
<b>Key Vocabulary</b>	Letter, capital letter, word, sentence, full stop, singer space, phoneme, digraph, trigraph					
<b>Curriculum Goals-F2</b>	<p><b>Early Learning Goals</b></p> <p><b>Comprehension</b></p> <p>*Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary.</p> <p>*Anticipate – where appropriate – key events in stories.</p> <p>*Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role-play</p> <p><b>Word Reading.</b></p> <p>*Say a sound for each letter in the alphabet and at least 10 digraphs.</p> <p>*Read words consistent with their phonic knowledge by sound-blending.</p> <p>* To write some letters and numbers accurately</p> <p>* To write names with recognisable letters</p> <p>*Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words.</p> <p><b>Writing</b></p> <p>* Write recognisable letters, most of which are correctly formed.</p> <p>*Spell words by identifying sounds in them and representing the sounds with a letter or letters.</p> <p>*Write simple phrases and sentences that can be read by others.</p>					

## Rise Park Primary and Nursery School Skills Progression – Maths

### 25-26

	<b>Autumn 1</b>	<b>Autumn 2</b>	<b>Spring 1</b>	<b>Spring 2</b>	<b>Summer 1</b>	<b>Summer 2</b>
<b>F1 Skills</b>	<ul style="list-style-type: none"><li>• To join in singing number rhymes moving fingers to represent amounts (not necessary correctly)</li><li>• To show an understanding of 1:1 counting</li><li>• To recognise numerals to 3</li><li>• To begin to link numerals to amounts up to 3</li><li>• To recognise when there is more/ lots/ the same amount</li><li>• To begin to rote, count to 5.</li><li>• To know that the last number you count represents the total number of objects</li><li>• To manipulate objects to fit in a space puzzle</li><li>• To make simple enclosures using 3D shapes</li><li>• Is beginning to be interested in what happens next in daily routines and anticipate key events such as lunch time/ home time</li><li>• Joins in with repeated sound and action patterns</li><li>• To have an understanding of past/ present and future</li></ul>	<ul style="list-style-type: none"><li>• To join in singing number rhymes moving fingers to represent some amounts correctly</li><li>• To attempt to count objects using 1:1 correspondence.</li><li>• To begin to recognise numerals to 5</li><li>• To begin to link numerals to amounts up to 5.</li><li>• To begin to count to 5 on their fingers</li><li>• To recognise when there is more/ lots/ the same amount</li><li>• To begin to rote count to 10</li><li>• To know that the last number you count represents the total number of objects.</li><li>• To begin to show an awareness of positional language such as under/behind/ next to/over/ on top of.</li><li>• To make simple enclosures using 3D shapes</li><li>• To make simple constructions</li><li>• To begin to be interested in and start to predict what happens next in daily routines and anticipate key events such as home time</li><li>• Joins in and anticipates repeated sound and action patterns</li><li>• To have an understanding of past/ present and future</li><li>• To begin to talk about what happened today, yesterday and tomorrow.</li></ul>	<ul style="list-style-type: none"><li>• To join in singing number rhymes moving fingers to represent some amounts correctly</li><li>• To begin to count objects to 3 and beyond using 1:1 correspondence.</li><li>• To begin to recognise numerals to 5</li><li>• To begin to link numerals to amounts up to 5</li><li>• To begin to count to 5 on their fingers</li><li>• To compare quantities using language 'more than', 'fewer than'.</li><li>• To rote count to 10.</li><li>• To count out 2/3 objects from a larger group</li><li>• To begin to subitise 3</li><li>• To start to use some positional language such as under/behind/ next to/over/ on top of.</li><li>• To manipulate 2D and 3D shapes to create pictures, patterns and models</li><li>• To begin to be interested in and start to predict what happens next in daily routines and anticipate key events such as home time</li><li>• In play, start to use key vocabulary to observe and compare measures using language such as longer/ shorter, heavier/ lighter, more/ less full.</li><li>• Joins in and anticipates repeated sound and action patterns</li></ul>	<ul style="list-style-type: none"><li>• To join in singing number rhymes to 5 moving fingers to represent most amounts correctly</li><li>• To count objects to 3 and beyond using 1:1 correspondence.</li><li>• To recognise numerals to 5</li><li>• To begin to link numerals to amounts up to 5 and beyond</li><li>• To count to 5 on their fingers</li><li>• To compare two small groups of objects to 5 saying when there is the same amount</li><li>• To rote count to 10 and beyond</li><li>• To count out 2/3 objects from a larger group</li><li>• To begin to subitise 3</li><li>• To start to use some positional language such as under/behind/ next to/over/ on top of.</li><li>• To manipulate 2D and 3D shapes to create pictures and models</li><li>• To begin to talk about 2D/ 3D shapes looking at their features e.g. round, straight, pointy.</li><li>• To continue a simple pattern using objects, movements and sounds</li><li>• In play, start to use key vocabulary to observe and compare measures using language such as longer/ shorter, heavier/ lighter, more/ less full.</li><li>• To begin to recall a sequence of events/</li></ul>	<ul style="list-style-type: none"><li>• To join in singing number rhymes to 5 moving fingers to represent most amounts correctly</li><li>• To count objects to 3 and beyond using 1:1 correspondence</li><li>• To rote count to 10 and beyond</li><li>• To count to 5 on their fingers</li><li>• To begin to link numerals to amounts up to 5</li><li>• To begin to recognise numerals to 5 and beyond</li><li>• Begin to recognise numbers 0-10</li><li>• To begin to solve real world mathematical problems to 5</li><li>• To start to be aware that numbers are made up of smaller amounts</li><li>• To subitise to 3</li><li>• To start to use some positional language such as under/behind/ next to/over/ on top of.</li><li>• To begin to select and use shapes appropriately in play, combining them to make models and enclosures.</li><li>• To begin to recognise and use some 2D shape names and shape language e.g. round, straight, pointy...</li><li>• To continue simple pattern using objects, movements and sounds</li><li>• In play, compare measures using language such as</li></ul>	<ul style="list-style-type: none"><li>• To join in singing number rhymes to 5 moving fingers to represent amounts correctly</li><li>• To attempt to count objects to 5 using 1:1 correspondence</li><li>• To rote count to 10 and beyond</li><li>• To show amounts to 5 on your fingers</li><li>• To link some numerals to amounts to 5</li><li>• To begin to recognise numerals to 5 and beyond</li><li>• To experiment with their own mathematical symbols and marks.</li><li>• To start to be aware that numbers are made up of smaller amounts</li><li>• To begin to solve real world mathematical problems to 5</li><li>• To separate groups of 3/ 4 objects in different ways knowing the total stays the same</li><li>• To subitise to 3</li><li>• To use some positional language such as under/behind/ next to/over/ on top of.</li><li>• To select and use shapes appropriately in play, combining them to make models and enclosures</li><li>• using trial and improvement</li><li>• To recognise and use some 2D shape names and shape language e.g. round, straight, pointy...</li><li>• To continue and create a simple pattern using</li></ul>

<b>Key Vocabulary</b>	School, home, house, garden, road, shop, celebration, sea, land, park, religion, special books, special places, special stories, prayer, non-religious, Christmas, Jesus, bible, Diwali, Rama, Sita, Easter, computer, mouse, click, keyboard, headphones, laptop, monitor, type, tablet, old, new, young, then, now, past, present, today, yesterday, tomorrow, change, different, same				
<b>Curriculum Goals-F2</b>	<b>Early Learning Goals</b> <b>Past and Present.</b> <small>* Talk about the lives of the people around them and their roles in society.</small>				

\*Know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class.

\*Understand the past through settings, characters and events encountered in books read in class and storytelling.

### **People, Culture and Communities.**

\* Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps. \*Know some similarities and differences between different religious and cultural communities in this country, drawing on their experiences and what has been read in class.

\*Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and – when appropriate – maps.

### **The Natural World.**

\* Explore the natural world around them, making observations and drawing pictures of animals and plants.

\*Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class.

\*Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter

	<b>Autumn 1</b>	<b>Autumn 2</b>	<b>Spring 1</b>	<b>Spring 2</b>	<b>Summer 1</b>	<b>Summer 2</b>
<b>F1 Skills</b>	<ul style="list-style-type: none"><li>• To listen to and join in with Nursery rhymes.</li><li>• To make simple representations using construction kits.</li><li>• To create closed shapes and enclosures to represent building and objects.</li><li>• To listen to songs, rhymes and sounds with increasing attention.</li><li>• To recognise and explore colour</li></ul>	<ul style="list-style-type: none"><li>• To sing familiar Nursery Rhymes.</li><li>• To make patterns with paint and different objects.</li><li>• To make simple representations using construction kits.</li><li>• To use drawing and mark making to express ideas.</li><li>• To explore simple colour mixing</li><li>• To learn and remember words to key songs.</li><li>• To manipulate dough in different ways</li></ul>	<ul style="list-style-type: none"><li>• To learn about different textures and materials and make choices of what to use.</li><li>• To begin to develop more complex stories using small world sets.</li><li>• To draw myself and my family</li><li>• To respond to what they have heard and seen.</li><li>• Sing familiar Nursery Rhymes.</li><li>• To use a range of tools for a specific purpose.</li></ul>	<ul style="list-style-type: none"><li>• To sing familiar Nursery Rhymes alongside playing instruments and follow the rhythm.</li><li>• To listen to music and create movements to the different beats.</li><li>• To make patterns with paint and different objects, exploring what happens when you mix colours.</li><li>• To make more complex representations using construction kits.</li><li>• To develop own ideas and choose materials to express them.</li><li>• To begin to weave material</li></ul>	<ul style="list-style-type: none"><li>• To join different materials together to make a model.</li><li>• To draw a picture with increasing complexity and detail.</li><li>• To continue to explore colour and colour mixing.</li><li>• To carefully select colour to add to my paintings</li><li>• To explore printing using a range of tools.</li></ul>	<ul style="list-style-type: none"><li>• To begin to represent different emotions in pictures and paintings.</li><li>• To create own songs or improvise one they already know.</li><li>• To make simple models using playdoh and box modelling</li><li>• To play instruments with increasing control.</li></ul>
<b>F1 Knowledge</b>	<ul style="list-style-type: none"><li>• To know and sing some Nursery rhymes.</li><li>• To know that enclosures and models can be made with simple construction kits.</li><li>• To understand that blocks and bricks can form enclosed spaces for small world play.</li><li>• To know and choose from a collection of songs.</li><li>• To know that I can choose a selection of colours to add to my paintings</li></ul>	<ul style="list-style-type: none"><li>• To know and sing several Nursery Rhymes without prompts.</li><li>• To know that patterns can be made using paint and different objects.</li><li>• To understand that basic models and representations can be made using construction kits and dough.</li><li>• To know that drawing and mark making can be used to express ideas.</li><li>• To know the basic primary colours and that these can be mixed.</li><li>• To know and remember words to key songs.</li></ul>	<ul style="list-style-type: none"><li>• To understand different textures and materials and how they can be used.</li><li>• To know that stories can be told using small world sets.</li><li>• To understand that music and dance can evoke an emotion in people.</li><li>• I know how to draw myself and my family adding simple detail such as arms, eyes, nose, legs and body.</li><li>• To understand the purpose of specific tools.</li></ul>	<ul style="list-style-type: none"><li>• To know that a voice is an instrument, and this can be used alongside other instruments.</li><li>• To know that dance and movement can be created alongside music.</li><li>• To understand what happens when you mix different primary and secondary colours.</li><li>• To understand that models can be added to make more complex representations.</li><li>• To know that their own ideas can be explored to express themselves creatively.</li><li>• To know how to weave simple materials</li></ul>	<ul style="list-style-type: none"><li>• To know a range of joins to fix models together.</li><li>• To understand how to use pencils to create complexity and detail in an observational drawing.</li><li>• To understand what happens when you mix a range of different colours.</li><li>• To know how to use fix and fasten skills.</li><li>• To know how to print using sponges and food.</li></ul>	<ul style="list-style-type: none"><li>• To understand that emotions can be conveys through pictures and paintings.</li><li>• To understand how to compose music with instruments to create a song or improvise one they already know.</li><li>• To know how to play instruments with increasing control.</li><li>• To know how to source different materials to make simple models.</li></ul>
<b>F2 Skills</b>	<ul style="list-style-type: none"><li>• To draw a simple portrait.</li><li>• To make a bark rubbing.</li><li>• To name the primary colours.</li><li>• To explore a variety of materials, discussing how they feel.</li></ul>	<ul style="list-style-type: none"><li>• To make a collage picture.</li><li>• To understand what printing is</li><li>• To manipulate clay to create a product.</li><li>• To learn simple songs</li></ul>	<ul style="list-style-type: none"><li>• To mix colours and explain what happens.</li><li>• To learn when to use thick and thin paintbrushes.</li><li>• To explain their model they have made and why they chose to make it.</li></ul>	<ul style="list-style-type: none"><li>• To create a representation of people and other things using a variety of media.</li><li>• To share their creative ideas with their peers.</li><li>• To use creative methods to record their experiences.</li></ul>	<ul style="list-style-type: none"><li>• To know how to use materials in a purposeful way.</li><li>• To use techniques such as cutting, weaving, etc.</li><li>• To describe features of their own work and their peers.</li></ul>	<ul style="list-style-type: none"><li>• To know how to manipulate materials.</li><li>• To use malleable materials to create 3D structures.</li><li>• To discuss an artist and the techniques they use.</li></ul>

	<ul style="list-style-type: none"> <li>• To make sounds using their bodies.</li> <li>• To name the object they have made in the Making Area.</li> </ul>		<ul style="list-style-type: none"> <li>• To use tools competently and for the correct purpose.</li> </ul>	<ul style="list-style-type: none"> <li>• To practice cooking skills through practice activities.</li> </ul>	<ul style="list-style-type: none"> <li>• To sing tunefully.</li> <li>• To identify parts of their models that work well and other areas that need improving.</li> <li>• To understand how to make their structures strong and sturdy.</li> <li>• To use simple mechanisms when creating models.</li> </ul>	<ul style="list-style-type: none"> <li>• To describe the tempo of a piece of music.</li> <li>• To choose the collect instrument to compliment a piece of music.</li> <li>• To understand the key components of objects.</li> </ul>
<b>F2 Knowledge</b>	<ul style="list-style-type: none"> <li>• Chn know how to draw simple line pictures with a purpose in mind using a variety of resources <ul style="list-style-type: none"> <li>• Chn know how to make rubbings</li> <li>• Chn know how to understand and identify the primary colours</li> <li>• Chn know how to explore a range of manmade, natural and recycles materials</li> <li>• Chn know how to experiment with, construct and join recycled, natural and man-made materials.</li> <li>• Children know how to make sounds using their bodies eg: clapping, stamping, patting</li> <li>• Chn can state what the product is for (e.g a Gruffalo puppet for a play)</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>• Chn know how to experiment to create different textures and tones <ul style="list-style-type: none"> <li>• Chn know how to use simple printing techniques using ink on different objects</li> <li>• Chn know how to use different colours when printing</li> <li>• Chn know how to explore the use of and manipulate clay.</li> <li>• Chn know how to use artists as a stimulus for learning</li> <li>• Children can follow basic signs eg: start, stop, get louder, get quieter and respond to these appropriately.</li> <li>• Children can move in time to the music and can create a beat to accompany the music.</li> <li>• Children can join in with singing and can learn simple songs such as nursery rhymes, counting songs, action songs.</li> <li>• Children can control their voices and sing quietly / loudly</li> <li>• Chn can have a purpose in mind when planning to build or make a product or object (e.g. I will make a junk model boat that floats for the water tray)</li> <li>• Chn know what tools they need to use to make a product (e.g. scissors, glue, tape)</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>• Chn know how to explore what happens when they mix colours</li> <li>• Chn know how to use a combination of thick and thin brushes to create paintings</li> <li>• Children can use different voices and experiment with sounds using their voices eg: 'say it like a mouse', say it like an elephant'.</li> <li>• Chn can state what they are designing and making and how it works (e.g., junk modelling car for a character)</li> <li>• Chn can talk about their ideas and what they made (e.g., I made some bread for a bear)</li> <li>• Chn can talk about the reasoning behind what they made (e.g., I made a feeder so the birds can sit and eat seeds)</li> <li>• Chn know how to use simple tools and techniques competently and appropriately (e.g., sticking, cutting, layering, painting etc)</li> <li>• Chn can build and construct with a wide range of objects, selecting appropriate resources and adapting their work when necessary</li> <li>• Chn know how to select the tools and techniques they need to shape, assemble and join materials they are using</li> </ul>	<ul style="list-style-type: none"> <li>• Chn know how to create simple representations of people and other things</li> <li>• Chn know how to explore shape and form.</li> <li>• Chn know how to share their ideas through active discussion</li> <li>• Chn can learn to record their experiences by drawing, writing, voice recording or modelling</li> <li>• Chn can understand some of the tools, techniques and processes involved in food preparation (e.g., mixing cake mixture for the café or spreading butter on a sandwich)</li> <li>• Chn can practice stirring, mixing, pouring and blending ingredients during cooking activities</li> </ul>	<ul style="list-style-type: none"> <li>• Chn know how to purposefully respond to colours, shapes, materials etc</li> <li>• Chn know how to cut, glue, trim and weave materials</li> <li>• Chn know how to recognise and describe key features of their own and others work</li> <li>• Children can use a variety of body sounds to tell a story</li> <li>• Chn can identify parts that work and don't work (e.g., my door is hard to open on my house for the three little pigs)</li> <li>• Chn can explore how to make structures stand up and strong</li> <li>• Chn know about simple mechanisms (e.g., how to turn a wheel on a car or how to move a puppet using string)</li> </ul>	<ul style="list-style-type: none"> <li>• Chn know how to manipulate materials to achieve a planned effect</li> <li>• Chn know how to use sculpture materials including clay, play dough, plasticine to create 3 dimensional shapes inspired by the world around me and my imagination</li> <li>• Chn know how to discuss likes and dislikes of a range of historical and contemporary artist</li> <li>• Children can listen to a variety of pieces of music for a short amount of time and can describe in simple terms eg: fast, slow, loud, quiet</li> <li>• Children can play a simple percussion instrument faster, slower, louder or quieter.</li> <li>• Children can make decisions about using instruments to accompany a song or story</li> <li>• Chn can explore variety of products understanding their key purpose and how they work (e.g. different Easter egg designs, bird feeder shapes or puppets)</li> <li>• Chn know how everyday objects work by dismantling things and looking closely at their component parts</li> </ul>

<b>Key Vocabulary</b>	Build, tools, equipment, objects, join, like, dislike, best, improve, favourite, work, stand up, stiff, structures, strong, wheels, design, draw, make, create, ideas, cook, make, stirring, mixing, pouring
<b>Curriculum Goals-F2</b>	<p><b>Early Learning Goals</b></p> <p><b>Being Imaginative and Expressive</b></p> <p>* Invent, adapt and recount narratives and stories with peers and their teacher.      *Sing a range of well-known nursery rhymes and songs; Perform songs, rhymes, poems</p> <p><b>Creating with Materials.</b></p> <p>*Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function.      *Share their creations, explaining the process they have used. *Make use of props and materials when role playing characters in narratives and stories</p>
