Dear parent and carers

I am writing to you on behalf of the School Council to invite your child to a special celebration lunch on **Thursday 15th 2026**. The theme of this lunch will be all things Italian!

The School Council have come together and thought of some exciting ways to bring this theme to life here at Rise Park. Each child that chooses to be a school dinner on this day will be entered into a lucky dip. One child will be drawn from each class at random and be given a seat at our special gelato table where they will create and feast on delicious ice cream sundaes. The team have also planned some exciting events that will take place on the playground linked to this theme such as pizza tray relay races, the Leaning Tower of Pisa block building challenge and a pizza topping memory game.

The menu will consist of either meat pizza or cheese pizza with a selection of sauces. Followed by a delicious Italian iced biscuit for dessert.

If your child would like to attend the Spring themed dinner date all that is required is for you to pay the normal dinner time charge of **£2.90** via Arbor, unless your child receives free school dinners. If your child does not want to eat a school dinner on this day the pack lunch option will still be available also.

We would really love it if every child would choose to eat a school dinner on this day so that we can come together and celebrate.

Many thanks

Miss Scholten, Mrs Hudson and The School Council.
