Dear Parents/Carers of pupils in Year 5

Instrumental Lessons - Guitars

Your child had been learning a musical instrument with their class last term through a national programme called *Whole Class Ensemble*. We are extremely proud of their achievements and would like as many children as possible to keep on playing this year.

If your child has really enjoyed learning an instrument, and would like to carry on in year 5 and 6, we will be offering lessons in school on the guitar. These will be group lessons, so pupils will still be learning with their friends. Lessons will be once a week and will cost £3.50 a lesson. You will need to pay for lessons in advance each half term, lessons payable on SCOPAY. For children that are looked-after through the Local Authority there will be no cost.

Pupils will be using school instruments, so there is no need to purchase an instrument. To begin with, pupils will be able to practice in school during break or lunchtime and so won't be bringing the instruments home straight away. Later on they will be able to sign out the instruments so they can practice at home. **Parents/carers will be held responsible for the instruments whilst off site. Any damaged or missing instruments will be charged to the parents/carers. Instruments will need to be covered under the household insurance.** If you wish to borrow an instrument please contact the school office to complete an application form.

To take part in instrumental lessons next year, please complete and return the following form as soon as possible to secure your place.

Yours faithfully

Natasha Kelly
Head Teacher

Instrumental Lessons

I am interested in my child participating in the additional music lessons and agree to make a payment in advance of each lesson of £3.50 as arranged.

I will ensure that the instrument will be covered by the household insurance.
