## HARVEST FESTIVAL 2020

Dear Parents/Carers

Unfortunately, we will not be able to celebrate Harvest with our normal assembly this year due to the current circumstances. However, we would love to mark the occasion by supporting the local **Bestwood and Bulwell Foodbank** with donations as normal.

To help maintain our bubbles and social distancing, there will be a box placed at the entrance gate onto the KS2 playground for you to place any donations of **packet, tinned or carton foods** as your child arrives to school on **Tuesday 6<sup>th</sup> October.**

The foodbank are always extremely grateful to receive your generous donations every year so thank you again for your kind support!
