

The Government is continuing to provide additional Sports Premium Funding to improve and promote the quality of Physical Education and Sport in Primary Schools. The Vision for the Primary PE and Sport Premium funding is for **ALL** pupils leaving primary school to be **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

**It is expected that schools will see an improvement against the following 5 key indicators:**

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles.
2. The profile of PE and sport being raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

For example, you can use your funding to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and [Change4Life](#) clubs
- run sport competitions
- increase pupils' participation in the [School Games](#)
- run sports activities with other schools

You should **not** use your funding to:

- employ coaches or specialist teachers to cover [planning preparation and assessment \(PPA\)](#) arrangements - these should come out of your core staffing budgets

Teach the minimum requirements of [the national curriculum](#) – including those specified for swimming.

Academic Year: <b>2017/2018</b>		<b>Total fund allocated: £15,456 received to date (Dec 2017), total for year to be £19,520</b>
