6th July 2020

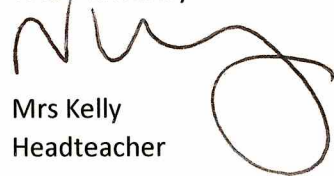

Dear Parents / Carers

Hope you are all well. Thank you to you all, we have really appreciated your support in getting your children to the correct gates at the designated times.

Following the briefing by Gavin Williamson, Education Secretary, schools have been directed to new guidance to ensure all children are able to return safely in September. As a result of this and to prepare and arrange our environment we have arranged 2 INSET days on Thursday 23rd July and Friday 24th July. Therefore, the last day of school for all children will be on Wednesday 22nd July. I hope that you understand the exceptional circumstances we find ourselves in.

I am currently in the process of finalising details for September and I will contact you shortly about when and how the children will be returning.

Yours sincerely

Mrs Kelly
Headteacher
