

Step 1:

In google, type in 'Showbie' and then click on the following

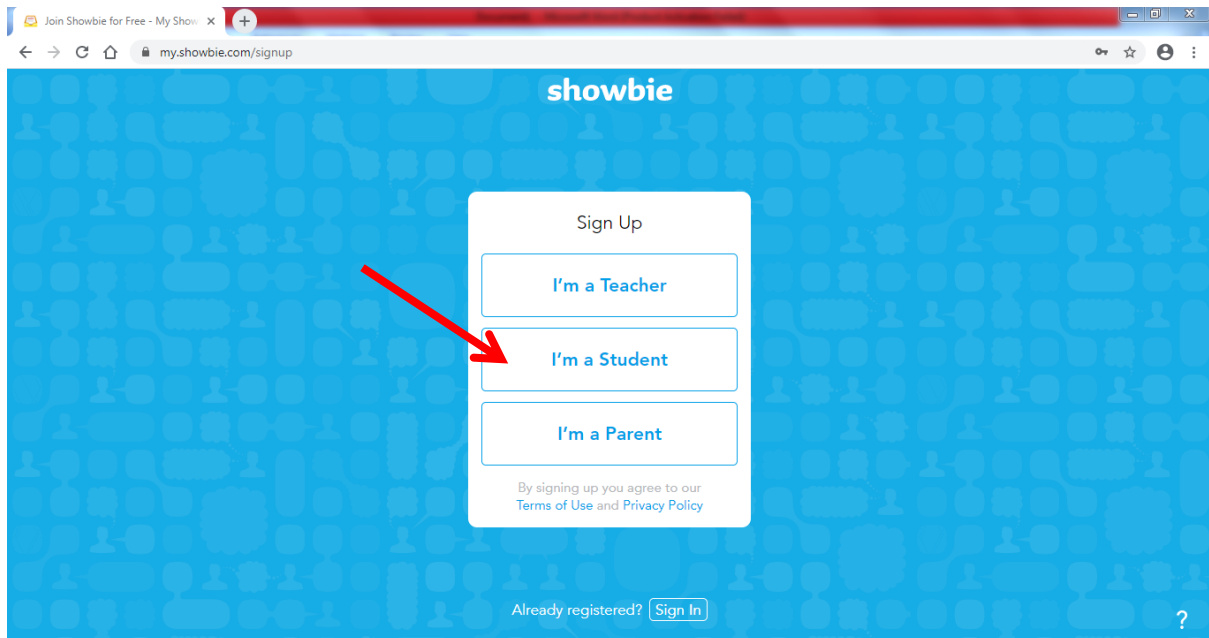

Step 2:

Click on 'Sign up for Free'

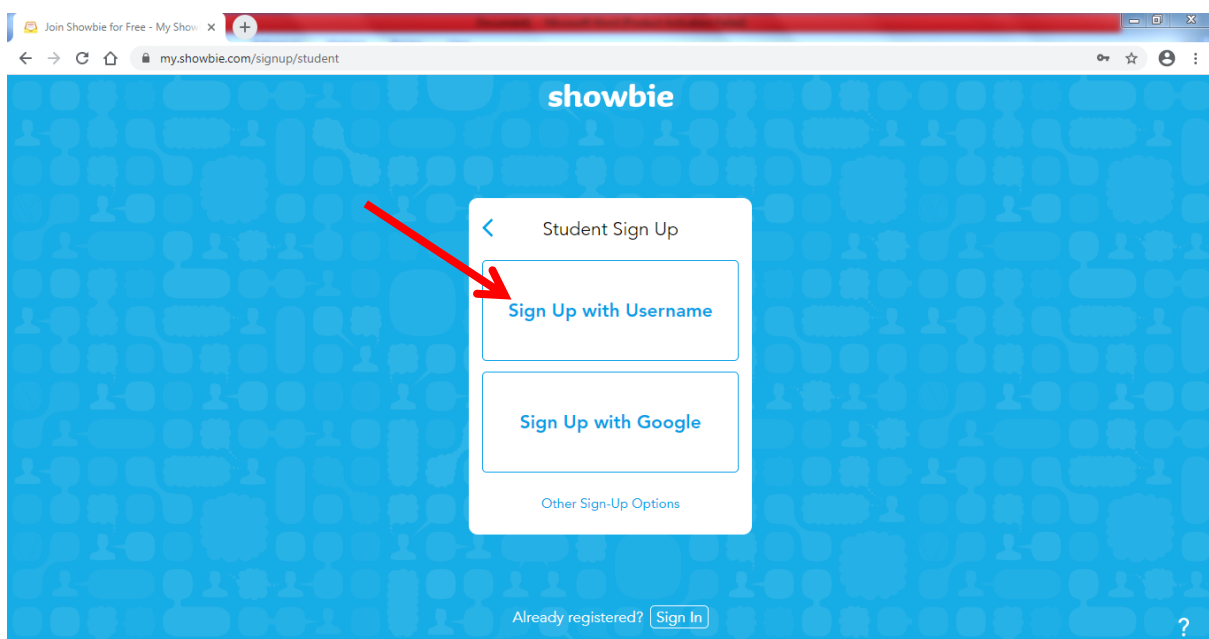

Step 3:

Click 'I'm a Student'

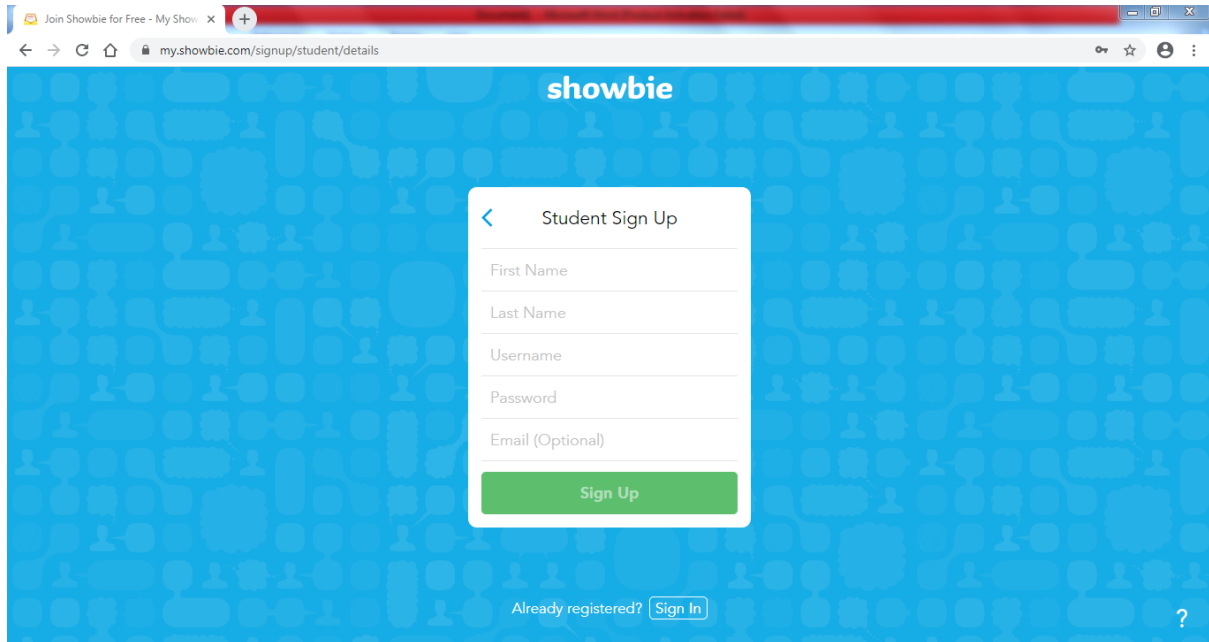

Step 4:

Click 'Sign up with a username'

### Step 5:

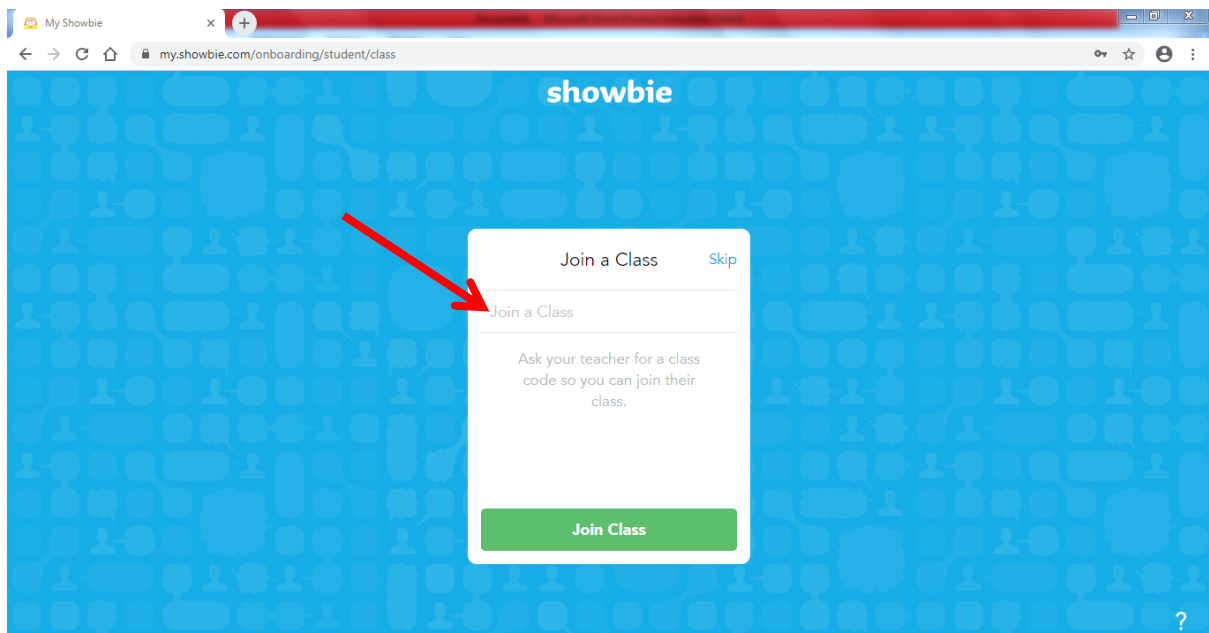

Fill in your CHILD'S details; their first name and their last name, followed by a username and password of your choice (it would be a good idea to make note of this and keep it safe) – an email address is not necessary.

The screenshot shows a web browser window with the URL `my.showbie.com/signup/student/details`. The page features the Showbie logo at the top. A white form titled "Student Sign Up" is centered on a blue background with a pattern of small person icons. The form contains the following fields: "First Name", "Last Name", "Username", "Password", and "Email (Optional)". A green "Sign Up" button is located at the bottom of the form. Below the form, there is a link that says "Already registered? Sign In" and a question mark icon in the bottom right corner.

### Step 6:

Please type in your child's class code. Each child has a different code, therefore if you have more than one child in school that you are signing up, they will need to add their own class' code.

The screenshot shows a web browser window with the URL `my.showbie.com/onboarding/student/class`. The page features the Showbie logo at the top. A white form titled "Join a Class" is centered on a blue background with a pattern of small person icons. The form has a "Skip" link in the top right corner. Below the title, there is a "Join a Class" label and a text prompt: "Ask your teacher for a class code so you can join their class." A green "Join Class" button is located at the bottom of the form. A red arrow points to the "Join a Class" label. A question mark icon is visible in the bottom right corner.
