Autumn term 2020

## Welcome back!

### Welcome to Year 3!

Welcome back to school we can not wait to see what this year has in store and we are looking forward to getting to know you all a little better after our short transition introductions on Showbie. Although our break has been a little different this year, we hope that you have enjoyed spending lots of quality time with your family and have perhaps learnt some impressive new skills for example learning to ride your bike , cook up a delicious dinner or a tasty cake in the kitchen.

The children are settling very well into life in Key Stage Two and have adapted well to the new routines put into place in and around school.

We are already impressed with their super attitudes to learning!

### Spellings

We will be assessing the children on their spellings and continuing the spelling book-marks your child did in Year 2. Your child will be given a new set of spellings each week as their homework to practice. A weekly spelling test will occur on the following Friday. You will find the spelling book mark stuck in your child's reading diary. Please ensure this remains in there as they may need it throughout the week in the school day.

### Home School diary

The diary should come to school every day and go home each night. Books will be changed once a week on a Monday. This year a new incentive has been introduced to encourage you to do as much reading at home for pleasure as possible. If your child reads at least three times in a week throughout the Autumn term they will be rewarded with an extra play-time. This will be monitored each week by your class teacher so remember to record all evidence of this in your child's diary . Please also remember to sign their diary each week.

### P.E kit

We are very lucky to be working with our sports specialist Mr. Jones on a Wednesday for PE this term. Please ensure your child arrives at school in their full PE kit including trainers on this day only. This will ensure PE lessons are maximized to their full potential as there will be no need for them to get

### Attendance

Rise Park will continue with our Attendance Cup initiative, to be presented every week. We would love a Year 3 class to win the cup and be in the running for the end of Year prize so please ensure your children are in school and on time every day!

changed out of their school uniform. We really don't want the children to miss out!

### Jumpers and Cardigans

Please ensure all items of school uniform and personal belongings has a name written clearly on the label, as this makes it easier to return to you if it gets lost. Thanks!

### Water bottles

Please ensure your child has a clearly labelled water bottle in school. As a school we are trying to reduce our use of plastic so we are asking that water bottles not be single use plastic bottles and are sports cap ones instead. These will now be kept with the children at all times on their desk/
