Dear Parents/Carers,

Would your child be interested in learning to play the recorder this year?

We are hoping to offer group recorder lessons to Year 3 children. Lessons will cost £3 per session, and will be during school time. Lessons will last around 20-30 minutes.

Unfortunately we cannot offer lessons to all children so this will be on a first come first basis.

Therefore if your child is interested please bring the letter back into school by Wednesday 16th September.

Please note if your child would like to start learning recorders they will need to provide their own recorder. All lessons will be carried out in a safe and secure environment.

A letter will follow to let you know if your child has successfully got a place for recorder lessons.

Music- Recorder lessons

Child's Name:

Class:

Signed by parent/carer:

Name of parent/carer:

I give permission for my child to start recorder lessons. I will pay £3 online through SCOPay before each lesson.
