

We as the school council are happy to announce that this years christmas dinner and christmas jumper day will be going ahead. We are all looking forward to eating the scrumptious, fantastic food by our brilliant cooks. The price for the christmas jumper day is £1. All of this money will go to Emmanuel House. This charity helps homelessness issues in the local area. It also helps isolated adults and at the moment it is really helpful because of lockdown and coronavirus. As well as this, they will give homes to the homeless and vital supplies such as jumpers, coats and toiletries. We hope that you will all donate £1 to the Emmanuel House by wearing a Christmas jumper on Wednesday 16th December 2020.

Autumn 2 School Council Newsletter

Look on the back of this newsletter to learn all about our involvement with our local care homes to bring festive cheer at Christmas time to elderly people.

Emmanuel House
Sharing the journey

We have been writing letters to the local care homes in our community. Year one drew some pictures to send, year three told some funny jokes and children in year 6 sent a detailed diary of what they had been up to during lockdown. The people who live there are very lonely because they do not get to see their family and are even lonelier now that they are not allowed visitors to cheer them up. We also drew some Christmassy pictures on love hearts to remind these people that they are loved. We really hope to hear back from them and are eagerly awaiting a reply in the post from them.

From Isabella and James (Year 3).

Pyjama day was a great success enjoyed by all and we managed to raise a fantastic £510 in total. This will all be donated to Children in Need on our Just Giving Page.

I got to hear my PSS in my favourite music lesson it was so cozy and relaxing and helped to raise money for other children.

Scarlett year 3

I like being cozy in the days, whilst I was doing english and going on the nature hunt for colours in our pjs very weird But Fun!

Robyn Year 3 Mexico

What is coming up next for the School Council?

We will continue working alongside Emmanuel House next year to complete a very special project. Keep a look out on the school website to reveal why we might be asking the children in school to collect crisp packets! We will also be participating in an online Zoom workshop to learn more about why people become homeless in Nottingham and what this charity does to provide to help vulnerable people get their lives back on track.

We also have a very special question and answer session with a local musician- Beka. This inspirational session will be based all around 'breaking the mould' to overcome barriers to become successful in areas we are passionate about. Throughout the session we will also meet inspiring fashion designers, actors, dancers and multi-linguists to learn about how their resilience paid off in their occupations.
