

We are Rise Parkby Year 6

Who are the Rise Parkers?

Ask us, and you'll find that we play sports like handball, cricket and urban hockey;
we eat food from Spain, Italy and China;
we speak complex languages, like Spanish;
and we know how to grow our own produce.
We look Caribbean, Asian and always smart;
we wear uniform, fancy dress costumes and onesies;
and if you get very close to us and look right into our eyes,
you will see the future of the world.

Yet we are still one;
we are Rise Parkers who work, rest and achieve.
We want to live in a world where we can embrace the unique and the unknown
and where we do not discriminate against each other.

If Rise Park is going to be great in the future,
it will be because we want chocolate on our strawberries, tapas in our bellies and
pizza (on Fridays),
and we think of all of these as our own dishes.

The Rise Parkers are not a single race, or a single religion,
and we don't all originate from Nottingham.
But we are building a home for everyone, where we can be who we want to be,
yet still be Rise Parkers.

This is what we do: we accept each other for who we are, we grow and we become
stronger together.

WE ARE THE RISE PARKERS.

WE ARE RISE PARK!
