11th February 2021

Dear Parents/Carers,

As a school we are required to assist in identifying any close contacts and advising self-isolation of anyone that tests positive having developed symptoms within 48 hours of being in school. Please continue to support the school by following the information and relevant arrangements regarding positive cases in the holidays:

- Where a pupil tests positive for coronavirus (COVID-19), having developed symptoms more than 48 hours since being in school, the school should not be contacted. Parents and carers should follow contact tracing instructions provided by NHS Test and Trace.
- If a pupil tests positive for coronavirus (COVID-19), having developed symptoms **within 48 hours of being in school**, the school is asked to assist in identifying close contacts and advising self-isolation, as the individual may have been infectious whilst in school.

If this is the case for your child, I ask that you notify school by e-mailing admin@risepark.nottingham.sch.uk which will be checked daily at 10:00am during half term.

If your child is required to self-isolate due to contact with a positive case during the holidays, school do not need to be informed about their absence until the first day of the new term. In this case, please follow the normal school procedures for reporting your child's absence.

Yours sincerely

Mrs Kelly
Headteacher
