Dear Parents/Carers,

This information has been put on Showbie but we wanted to clarify the information with this letter. This year's Easter Competition will take place online. Once you have completed your project please post photo's and videos of your entry by Wednesday 31st March into this Showbie assignment. On **Thursday 1st April**, we will take a virtual tour of all your entries as classes before a winner is decided.

As always there will be tasty prizes for the winners!

Nursery

Your Easter activity is to decorate a hardboiled egg! Please find some examples below to help inspire you!

Reception

This year we thought you could be creative and link your egg project to our focus story for the last 2 weeks of half term, 'The Dinosaur that Pooped a Planet'.

We wondered... what else might the dinosaur poop? Can you turn your egg into another idea?

Below are some ideas for inspiration, but feel free to turn your egg into whatever you think the dinosaur could poop next.

We would be super impressed if you could write the title, too.

The Dinosaur that Pooped a unicorn

The Dinosaur that Pooped a superhero

The Dinosaur that Pooped Mr Potato Head

KS1 (Years 1 and 2)

Your Easter activity is to create an Easter garden! Again, we love original creations; you could use real flowers, food, collage - whatever you fancy!

KS2 (Years 3, 4, 5 and 6)

Your Easter activity is to create an Easter extravaganza! You can create whatever you like; historically, people seem to enjoy basing their project around puns to do with eggs! You can work with a sibling (but remember you will have to share your prize if you win).

We can't wait to see your creations! Our school council chair people will be helping with the judging this year!

Miss Scholten and the Rise Park School Council
