

INSPIRING PEOPLE HOMEWORK PROJECT SUMMER 2021

Dear Parents and Carers,

Over the past year, we have launched a 'Changemakers' project across school.

The children have taken part in some 'stage and age' appropriate classroom conversations linked to diversity, equality, anti-racism and learning about people who have inspired change through their actions and work such as the poet Maya Angelou and the artist Jean-Michel Basquiat. We have also been working hard to weave this through the books we have available in school and the books and topics we teach in other parts of the curriculum and will continue to explore a wide ranging of historical figures and topics.

We would like the children to take part in our whole school homework project for the summer term to share who they find inspiring ...to inspire us! This might be something you would like to do as a family! We launched the project in an assembly this week so your child may have some ideas already.

We would like you to:

-Choose someone you find inspiring who has led the way for change and/or has inspired people.

-Be as creative as you want ... you can create a video, PowerPoint, art project, poem song or poster. We have seen some amazing projects in the past!

Some prompts to help ...

- Someone who has created change in history despite facing huge difficulties and this has made things better for people after them
- A writer or musician whose words inspired change and challenged unfairness and inequality in the world
- Someone who was the first to do something incredible ...
- Someone whose achievements have not always been celebrated and deserve recognition ...
- Someone in the community or who you know who creates positive change and inspires you ...

There may be someone you have in mind already.

We CANNOT WAIT to see your projects and share them online and in a whole school exhibition – there will be some prizes!

You can post your project on Showbie, email it to the office or bring into school and share with your class teacher. The deadline is [Friday 16th July](#).

Yours sincerely

Mrs Austerfield and Mrs Husbands.
