Dear Parents/Carers

We are writing to you on behalf of the School Council to invite your child to an unmissable event that the whole school has excitably been discussing.

To celebrate Harvest Festival and European Day of Languages, on **Thursday 7th October** we will be having a lunchtime with a difference! In school we are going to be looking at Harvest Festivals from around the world and looking at different food from different countries. Lunchtime will be a celebration of different cultures and food coming together in one big party! We would really love it if everyone would choose to eat a school dinner that day so we can all celebrate together. Children who choose to have a school dinner will even be allowed to wear non-uniform as requested by the School Council!

The Menu will consist of German Bratwurst (Hotdogs), American Burgers, English Jacket Potatoes with Cheesecakes and Brownies for dessert. If your child would like to attend our Harvest Festival celebrations all that is required is for you to pay the normal dinner time charge of £2.25 via Scopay. If your child is in Reception/Y1/Y2 or is eligible for Free School Meals they will not be charged.

We really hope that everyone will choose to have a school dinner as it will be a fantastic day!

We will be collecting **donations of tinned and packet food** again this year to donate to the local Bestwood and Bulwell Food Bank. We would kindly ask that you bring these to school on Thursday 7th October.

Many thanks,

Mrs Sadler, Mrs Graham, Miss Rankin, Miss Haynes and the School Council
