Dear Parents / Carers,

Our first curriculum topic in Year 4 is called 'Journeys', and our Geography focus for the first half term is all about Frozen Lands – or, the Arctic and Antarctic regions of our planet. To engage the children, and make them as enthusiastic about the topic as possible, we have booked an actual polar explorer to come in to school and speak to them about her experiences of travelling to some of these extreme locations!

Misba Khan will be visiting us at school on the morning of **Wednesday 8th September** to meet the children and talk to them about her many trips. We hope that by starting the Autumn term with such an exciting opportunity, the children will be able to use what they learn in the rest of their work.

We apologise for the short notice, however having a visitor in school will require funding, and we would like a **£3 contribution** from parents and carers, payable on **Scopay as soon as possible**.

Please pay your £3 using your school SCOPAY account as soon as possible.

Please note, without sufficient contributions the event will not be able to go ahead.

Any questions, please contact the school office staff, or any member of the Year 4 teaching team.

Kind regards,

Year 4 Team
