Dear Parents / Carers

I am writing to inform you of an online incident that has taken place in Year 6.

Unfortunately, I do not know the sender who has created an account called Rise Park Official on TikTok. This is in no way related to the school. The person who has created this account has, in turn, written inappropriate comments about children and staff in Year 6.

The reason for this letter is to make you aware of this and to ask you to regularly check your child's accounts to ensure they are sending messages that are appropriate.

As a school we take online safety extremely seriously and the children have just completed work in school on this.

I am disappointed this has happened and hope you discuss the dangers of online abuse which is exactly what has been undertaken in school prior to this incident taking place.

Thank you in advance for your co-operation in this matter.

Yours sincerely

Mrs Kelly
Headteacher
