Dear Parents and Carers

It has been incredible to be involved in raising money for our school and other charities this year and we have many more fun and exciting ideas for the future. So far this year our school community have raised over £600 for Macmillan and over £700 for new P.E resources. The children at Rise Park really benefit from these additional resources.

We have come across a new exciting way to raise funds for our school and all we have to do is shop online like we normally do! We have set up a cause under the name Rise Park Primary School. Every time you shop online with one of the retailers listed, a donation is sent to the school.

If you would like to be a supporter of Rise Park, please follow the link below. Once you have signed up, just shop as you normally would either through the app or through the link and our school community can work together to raise as much money as possible for the children at Rise Park Primary and Nursery School.

If you have any questions regarding this, please do not hesitate to contact me.

Thank you for your continued support.

Yours Sincerely

Mrs Lamb
