7th December 2021

Dear parents/carers,

I am writing to inform you that there has been a rise in the number of COVID cases in Year 5 & 6 and following discussions today with the Local Authority and Public Health England, the decision has been made to revert to online learning for Year 6 for the rest of the week. Year 5 can still attend school but will be in a 'bubble' whereby they will only mix with their class. This decision has been made to prevent the further spread of the virus and to try and keep everyone safe.

The Local Authority and Public Health England have reviewed the risk assessment, alongside myself, and are fully supportive of the school and the proportionate and sensible decisions that have been made both previously and today.

As always, we put the safety of the children first but I feel it is important to keep you updated as to what is happening in other areas of the school. Please do not hesitate to contact myself if you have any further questions at all and I would like to take this opportunity to say thank you for your continued support at this time.

Kind regards,

Mrs Kelly
Headteacher
