Emotional Awareness

We will explore the importance of money and how it is used to help us to buy food, clothes etc. This is why people go to work to earn money to buy things.

Possibilities & Enquiry

We will explore the idea of making a profit, making more money than we spent buying the ingredients for our Easter Nests.

Knowledge of the world.

We will be learning about different shops where we can buy food eg supermarkets, butchers, bakery, greengrocers etc.

Diversity

We will look at different cakes from around the world eg Baklava- Greece, croissant- France etc.

As readers we will be reading recipes and lists of ingredients for making our Easter Nests.

As mathematicians we will be counting mini eggs, and cakes for our Easter Nests. We will be learning about money and coins and counting 1p coins to buy cakes from our bakery shop.

As writers we will be writing lists of ingredients to buy from the shop. We will also be writing labels to show how much the cakes cost in our Bakery shop.

As creators we will be using our hands to mould and shape salt dough to make the cakes for our shop. We will also be decorating them.

As musicians we will be singing Five currant buns and hot cross buns.

As scientists we will be exploring how materials can change their properties as we observe how chocolate can change from solid to liquid and back again.
