Dear Parents/Carers,

As part of our 'Adventure and Journeys' topic, On Monday 13th June, the Wonderdome Mobile Planetarium will be visiting us at school.

This will provide an exciting sensory opportunity for children to explore space and learn more about it within a unique, immersive environment. Children will learn about how our planet is part of the solar system and our neighbouring planets. Children will be able to explore questions such as; How big is earth? Can we live on other planets? And so much more.

The Wonderdome will be visiting us in the morning so we would kindly ask that all our afternoon children join us for the morning session on Monday 13th June 8.45-11.45. There will be no Nursery session in the afternoon for these children.

The cost of this will be £3 per child. Please pay via Scopay. Any questions please speak to a member of our Nursery team.

Many thanks,

The Nursery Team
