Dear Parents and Carers

We are very excited to announced that the Partake Theatre company will be joining us in school on July 5th for an immersive Roman experience.

During the day children will develop a deeper understanding of life in Roman times through hands on drama activities.

This includes;

- Developing their team skills by learning to use shields while under attack, in the 'tortoise' formation
- Becoming an engineer by building an arch, trying writing on wax tablets, creating a mosaic for the bath house and trying their hand at a game of chance.
- Discovering Roman dress, armour and weaponry as children are transformed into Portia, a Roman noble lady and her brother Marcellus, a Roman soldier.
- Handling and investigating extraordinary artefacts and inventions, all with a link to health and hygiene.

Having a theatre group join us for the day allows children to experience costumes, artefacts and aspects of Roman life in person rather than through pictures and videos giving them a greater understanding of the topic and some long-lasting memories of their learning.

The children have enjoyed their topic so far and we are looking forward to a super day. In order for this event to take place we are asking for a donation of £8.50 to be paid via Scopay no later than July 4th please.

We are extremely grateful for your continued support allowing us to offer exciting new experiences.

Thank you

The Year 3 Team
