Year 2 Camp Meeting Tuesday 1ST November

Dear Parents/Carers

We are once again pleased to offer the Year 2 children the chance of a very exciting trip! This will be a one night, two - day camping experience at Wollaton Park. We believe that this is a fantastic opportunity for the children to have an introductory taste of camping by being away from home for a single night in the grounds of the walled garden at Wollaton Park. The children will be taken by bus on the morning of 14th June and experience a day of environmental education using the facilities within the grounds of Wollaton Park. Activities will be organised by school staff in liaison with staff from the Local Authority. After sleeping over, the children will enjoy a morning of activities before returning to school at around 11:00 on 15th June to be picked up.

We are holding a meeting on **Tuesday 1st November 2022.** This will be an opportunity for you and your child to find out more information about the camp, consider whether this trip is suitable for your child at this point and ask any questions.

There will be a charge of (an estimate at this stage) £50 for this trip which will cover the cost of transport, some camping equipment, all activities and food. The cost will be confirmed.

You may wish to consider and discuss whether this trip is right for your child at this point. Please bear in mind there will be additional opportunities to attend a camp in both year 4 and year 6.

Thank you,

Year 2 Team
