

Do you have toys you no longer need? We'd love to give them a new home!

If you have any toys your child has outgrown, please consider donating them to us to use in school.

We would be very grateful for the following:

Dolls, clothing and accessories

Early learning toys- toys for 0-3 year olds e.g. shape sorters

Jigsaws

Playdough tools and cutters

Small world play people and animals

Imaginative/role play items- home, kitchen, shop, doctors etc.

Donations can be handed to the office or your child's teacher.

Thank you for your kindness and support
