Dear Parents & Carers,

We are really excited to inform you about our first school trip this year, which will be a **Stone Age archaeology and activity day** held at the *University of Nottingham Highfields Campus*. The activities on the day will be facilitated by Creswell Crags education team, so it will be a great opportunity for the children to have some hands-on experience with Stone Age artefacts, developing skills and working alongside real experts in the topic.

Dominican Republic class will be visiting on **Tuesday 21st November**. We will be leaving school at **9:15am**, and will return for the end of the school day at **3:15pm**.

Children will need to bring a **packed lunch** with them on the day. If your child receives free-school meals, then they will be provided with one by the school kitchen if needed. Please let Year 3 staff know if your child will need a free-school meal packed lunch providing for the trip as soon as possible so that the kitchen can order and prepare these.

The **total cost of the trip is £15**, which can be paid for through **Arbor**. The cost has been *heavily subsidised by school*, and has been lowered significantly before being passed on to you. This will cover the coach taking us to Highfields and returning us to school, alongside the cost of the activities that the children are doing on the day.

We are really looking forward to taking the children out on this trip, and welcome your help and support in the coming weeks,

Kind regards,

The Year 3 teaching team
