Dear Parents/ Carers,

You may be aware that one of our lovely Rise Parkers, Jamiee was admitted to hospital and diagnosed with Meningococcal Septicaemia before Christmas. It was an extremely tough time for Jamiee and her family. Luckily Jamiee has survived the worst and has been on a difficult journey of recovery. For the next stage of Jamiee's journey the family need to raise £11,000 for her prosthetic feet.

Keilley, Jamiee's mum has set up a Go Fund me page and I have attached the link, if you would like to donate. Her full story is shared on there too.

Jamiee is a fighter and has been through so much. We will be helping the children in school to begin some fundraising too, to try and raise as much money as possible.

Thank you for your continued support.

Yours Sincerely,

Headteacher
