

Summer Fair Homework Project

As you will probably have seen on Mrs Kelly's newsletter, to help with this year's Summer Fair, the homework project for the final half term is to create a decorated box.

The children need to decorate a box which can be any size (but no bigger than a shoe box please). The theme for the Summer fair this year is **all around the world with a specific emphasis on countries in the 2024 Olympics**. If you can follow this theme then great but any decorated box would be marvellous!

Once the box is decorated, please could you put £1's worth of goodies inside. The goodies can be for any age range (examples could include stickers, sweets, stationary, small toys etc – nothing that is used please and no weapons/guns etc).

When decorating the boxes please **do not** allow your child to use photos of themselves as they will not be bringing the boxes home. Please do not seal the box as the contents must be checked by school staff beforehand.

As always, the children will be rewarded for their efforts with some stampers for their charts (some children are going for gold!), petals for the children in Reception and a special certificate for children in Nursery.

As storage space at school is extremely limited, please send the boxes to school on

Thursday 13th June 2024

Thank you for your continuing support and we look forward to seeing you at the fair!
