25th June 2024

Dear Parents/Carers,

We are very lucky to have the opportunity to have a Judaism workshop taking place in school on Tuesday 2nd July. This will be led by outside providers from the RSE Resources team, who will be spending the morning turning one of the Year 2 classrooms into a Synagogue (a Jewish place of worship). This is fantastic opportunity for children to experience first-hand what it is like to visit such an important place of worship, handle artefacts and develop their understanding of a new world religion in an immersive experience, without having to leave the comfort of Rise Park!

We have used some funding from school to keep the cost as low as possible, the price of this is £2.50 per child, and this can be paid through your Arbor account.

Your sincerely,

Year 2 Team
