Dear Parents/Carers,

We are very lucky to have the opportunity to have a **Hinduism workshop** taking place in school on **Tuesday 25th June**. This will be led by outside providers from the RSE Resources team, who will be spending the morning turning one of the Year 4 classrooms into a Mandir (a Hindu place of worship). The children will experience first-hand what it is like to visit such an important place, without having to leave the comfort of Rise Park!

As this workshop is an essential part of our RE topic in summer term, it is **vital** that all children attend on the day, as missing the experience will mean that they also miss out on important subject knowledge that they will need later on in school.

We have used some funding from school to keep the cost at last year's price of **£2.50 per child**, and this can be paid through your Arbor account.

Your sincerely
Year 4 Team
