Dear Parents and Carers

We are very excited to announced that a visitor from Tilly Pots Pottery studio will be joining us in school on Thursday 28th November for a clay, Greek pottery making experience.

During the day, the children will experiment with clay to produce their own modern example of a clay pot, using Eleni Vernadaki's work as inspiration.

This includes;

- Making their clay pot using the pinch or coiling technique
- Etching their own 'frieze' onto their pot
- Painting their pot
- Having their pot glazed and brought back into school by our visitor.

This allows the children to have a hands-on experience led by an experienced potter for our art lessons and produce a pot which is inspired by the Ancient Greeks, linking to our topic.

The children have enjoyed their topic so far and we are looking forward to a super day. In order for this event to take place we are asking for a donation of £6.50 to be paid via Arbor no later than Friday 10th November please. This covers our visitors' expenses and the materials, as they will have a fired final piece.

We are extremely grateful for your continued support allowing us to offer exciting new experiences.

Thank you

The Year 5 Team
