Dear Parents & Carers,

We are really excited to inform you about our final school trip of the year, which will be a **Romans archaeology and activity day** held at *Southwell Minster*. The activities on the day will be facilitated by Southwell Minster's education team, so it will be a great opportunity for the children to have some hands-on experience with Roman artefacts, developing skills and working alongside real experts in the topic whilst also exploring some of the archaeological finds that have been discovered on the site.

We will be visiting on **Thursday 21st May**. We will be leaving school at **approximately 9:00am**, and will return for the end of the school day at **3:15pm**.

Children will need to bring a **packed lunch** with them on the day. If your child receives free school meals, then they will be provided with one by the school kitchen if needed. Please let the Year 3 staff know if your child will need a free school meal packed lunch providing for the trip as soon as possible.

Please send your child in their **school uniform as normal**. Your child can wear a pair of old, comfortable shoes or trainers instead of their regular school shoes, because some activities will be taking place outdoors.

The **total cost of the trip is £14**, which can be paid for through **Arbor**. The cost has been *heavily subsidised by school*, and has been lowered significantly before being passed on to you. This will cover the coach taking us to Southwell and returning us to school, alongside the cost of the activities that the children will be doing on the day.

We are really looking forward to taking the children out on this trip, and welcome your help and support in the coming weeks,

Kind regards,

The Year 3 teaching team
