Dear Parents and Carers,

We are very excited to announce that on Wednesday 24th June we will be taking the children to Twycross Zoo for the day. This links to our new topic, Rainforests, and some aspects of our Space topic, that we will be learning about during the Summer Term.

The day will consist of an exciting 'Life in the Rainforest' workshop that will be led by the staff members at the zoo and the rest of the time will be exploring the animals.

We will expect the children to come in their full school uniform and they will require a packed lunch on the day. School pack lunches will be available to those who need them, but will need to be ordered in advance. Your child will need to arrive promptly at 8.50am so we can leave school by 9am.

The children enjoyed our trip to Magna in the Spring term, we are looking forward to taking them on another exciting off-site visit. In order for this event to take place a payment of £20.20 is to be made via Arbor no later than Friday 19th June please. It will be possible to pay this in small instalments if required. This covers the transport to and from the Zoo, the ticket price for the day and the additional cost of the workshop.

We are extremely grateful for your continued support allowing us to offer exciting new experiences.

Thank you,

The Year 5 Team
