22nd June 2026

Dear Parents / Carers,

Further to our message yesterday regarding the hot weather, I want to reassure you that we are very mindful of how hot it is going to be this week. We will not keep the children out for long periods of time and the children must wear a hat and have sun cream on.

We will have a more relaxed approach to wearing school uniform from tomorrow. The school summer dresses are ideal – but any loose fitting, cotton clothing, may be worn this week – no crop tops please or football kits – the material of such kits does not keep the body cool. Also, no crocs or backless sandals please.

Please ensure your child has a full water bottle, which they can refill.

Yours sincerely,

Mrs Kelly
Headteacher
