FAQ

I want to select a different time to attend each week

If your school offers different times you can sign up to, you can only specify one for each day. To change the times for different weeks, sign up for each session one at a time.

Why hasn't my child been signed up for all the sessions I selected?

Depending on the available sessions, you may not be signed up for all the sessions you select.

- If your school has a cap on the number of students who can attend a session that is already reached, your child won't be signed up.
- If your school decides on a cut-off time for signing up to a session, your child won't be signed up if you try to book past the cutoff time.
- If your school charges for the club but haven't specified the price for the session, you won't be able to book your child on - please contact your school and ask them to add a price for the session.

For all the reasons above, please contact your school and ask them if they can add your child into the session manually.

Topping up your account if your balance is low

If your school requires you to top up funds before signing up, you won't be able to sign up and you'll get an error message.

Here's the message on the Parent Portal.

Please correct this error:

- You have insufficient funds on your account
