

Family Photos Plea!

Dear Parents & Carers,

Our first topic this year is 'Ourselves and Our Homes'

This will include learning about ourselves, our families and friends, the homes we live in and the activities we do with our families at home.

To make the learning personalised to them, it would be great if you can send us photos of these things!

Please send us an email to

admin@risepark.nottingham.sch.uk

(put 'The Nest' in the subject)

Or if you have the prints, we can photocopy them and return the originals to you.

The children really love to look at the photos of themselves and their families, so please do join in with this if you haven't already.

Thank you for your support,

The Nest Team
