

NEWSLETTER – SEPTEMBER 2026

WELCOME BACK

It has been so lovely to see the children back at school and in their new uniform with their smart new shoes. It has been fantastic to hear them playing at playtime and lunchtime and enjoying themselves with their friends.

Class newsletters/knowledge organisers will be sent out by the end of next week. There will also be a time to meet the teacher over the next week which will give you the opportunity to look at what the children will be studying, what trips are on offer and how the year group works.

A huge thank you to everyone who has filled in the OV4 form via the link in August. If you have not completed it can I

ask that you complete it as soon as possible as this gives us the information we require to take the children on trips.

I cannot wait to see the many exciting events the children will be undertaking throughout the term and I look forward to working in partnership with you this year.

Procedures for dismissal at the end of the school day..

Please can you make sure that you contact school before 3pm if someone different is collecting your child. We will not allow children to leave school without the appropriate adult.

If you would like to speak to staff at the end of the school day please can I kindly ask that you wait until the children have been

dismissed. The class teacher will speak to you but it is important that the class teacher dismisses all the children before doing this. Thank you for your cooperation with this

Parental Engagement..

Mrs Lamb writes...

The start of a new school year is always exciting. We have lots of opportunities for you to get involved in school life.

Our first event will be our annual Macmillan coffee morning. This will be held on Friday 25th September from 8:15am. We are always extremely grateful to our community for donations and contributions of cake for our sale. If you are planning on making any cakes for us to sell, could you please ensure you supply a list of all of the ingredients to ensure we are compliant with new allergy laws.

I am available if you require any support with things such as difficulties with your child's behaviour, sleep difficulties, fussy eating or if you need any support, please do not hesitate to contact me.

Allergies in schools

Due to the new guidance released to school in Benedict's Law we are writing to remind you we are an allergy aware school.

We specifically request that no products nuts, peas, sesame or fish are brought in.

Please can you ensure that your child's lunchbox is clearly labelled and speak to your child about food not being shared.

Thank you for your co-operation in this matter.
